# Parent School Support Committee (PSSC)

## Working Together to Improve our School

Parents, principals and teachers are working together to make contributions to the quality of education and schools in New Brunswick.

You can help make a positive change and take part in improvement planning by getting involved in your Parent School Support Committee.

### PSSC Does:

- Focus on the needs of all students in the school
- Advise the principal on school policy issues
- Review the annual School Report Card results
- Work with the principal to develop and monitor the School Improvement Plan
- Promote effective communications with parents

### PSSC Does Not:

- Get involved in the day-to-day operations of the school
- Discuss individual student or personnel issues
- Raise funds for the school
