DROP OFF 7 PICK UP

For student safety reasons, please do not use our front parking lot for drop off and pick-up. Please park on Savoie drive and use the back entrance of the school. No cars should ever be parked in our fire lane in front of the school. Why? It is a fire lane.

PICKING YOUR CHILD UP EARLY?

Parents who need to pick up their children early during the school day are asked to go to the main office. Our secretary, Mrs. Gilchrist, will have your child meet you at the office. Also, you will be asked to **sign them out in our "Leaving Early" clip board.** Please try and make these arrangements before your child starts their day by sending a note to their classroom teacher.

WEBSITE We invite all parents to explore our school website <http://beaverbrook.nbed.nb.ca/>

FEES - If you have not paid your child's school supply, agenda or locker fee (Gr. 5-8) Please send it in as soon as possible. The teachers use these fees to purchase supplies for your child to use at school

STUDENT INFORMATION - Please make sure the school is always informed if there is a change of address, contact name and phone number for your child.

FREE STUDENT LUNCH ON TUESDAY'S

Every Tuesday the Kiwanis Club volunteers prepare and serve lunch to all students and staff.

THANK YOU for this community support!

FIRE PREVENTION WEEK – Oct. 8 to 14

Do you have a fire escape plan for your home? It is recommended that each household develop a family fire escape plan and practice it every 6 months. Be sure everyone has an emergency escape route.

EMERGENCY PROCEDURES

We have already had a Fire Drill practice with all students and staff. We will have more throughout the year as part of our Emergency Procedures preparation. We will also have an evacuation and lock down drill. During the evacuation practice all staff and students will go to Headstart which is next door to the school. In the event of a true evacuation a talk mail would be sent to parents with information.

VOLUNTEERS NEEDED:

At BEAVERBROOK SCHOOL we are committed to ensuring all of our students receive the healthy start they need in order to be successful learners. This year, we have partnered with Breakfast Club of Canada to offer an inclusive breakfast program each morning at our school. The breakfast club is the perfect solution for busy families on mornings when students are running late, at school early for extracurricular activities, have a long morning commute or just want to socialize and eat with friends. Whatever the reason, all students are welcome at the breakfast club each morning to enjoy a nutritious meal together. This program is made possible thanks to committed volunteers. **If you would like to get involved please contact the Beaverbrook School office at 856-3403 and your name and phone # will be given to our Breakfast Club Co coordinator.**

A Child's Thanksgiving Thanks

I'm thankful for the many things
That help us live as well as kings,
For all the food that makes us drool,
And another holiday from school.

By Karl Fuchs

HEAD LICE

Please check your child's hair on a regular basis for head lice. This is the time of year when children pass this to each other. We also do a check at school on a regular basis. If your child is sent home with head lice, once your child is treated and the nits are removed a parent is to bring their child to the office to have their head rechecked and stay with them until they have permission to return to class.

STORM CLOSURE FORMS

The **PINK** unexpected school closure contingency plan forms went home and we still do not have all students forms returned. Please make sure you fill this form out with your plan for where you want your child to go if there was a school closure. Thanks
