Grades and Attendance, including the term, which will show the student's full class schedule and the current grade. (Only available for grades 9-12 beginning November 2022.)

Grades History shows term grades for the selected student. The course, percentage points, and credit hours are noted for each term. By default, the current year is selected. To view grade history information for a past term, click the term tab you want to view.

Attendance History is where you can see all excused and unexcused absences, as well as tardies and for which class the student was late or absent.

Email Notification – not available currently.

Teacher Comments regarding achievement or behavior related to the course.

School Bulletin will show any communications the district has chosen to notify parents.

Class Registration students and their parents can manage their course requests.

My Schedule displays a student's schedule two different ways. The Week View displays the student's schedule for the current week. The Matrix View displays a graphical format.

School Information displays the physical address and contact information for the school.

Account Preferences provides you with the ability to manage your parent account information, including your name, username, password, and email address. You can add student(s) for whom you have legal/parental rights to view their information too. Note: To edit or remove a student associated to your account, contact your school.
