- \* 12:10-12:30 pm 5-8 Lunch
- \* 1:40 pm K-2 Dismissal
- \* 2:40 pm 3-8 Dismissal

It is hard to believe we are almost at the end of another school year. That being said there is still much to be done!

It is assessment time for many of the students in our school. In the last week of May, the grade 2s wrote a provincial reading comprehension assessment, while the grade 6s participated in a provincial assessment on math, science, language arts and French. The grade 8s will be writing a provincial math assessment in the coming days.

Although the focus will remain on academics, during these final weeks we do plan to have some fun as well! Please mark the evening of June 9th on your

calendar as that is when we will have our final drama performance. Come join us for a variety of songs as we present *Music from the Movies* at 6:30 pm.

As you can see from the calendar below we have several year end field trips planned. Notes will come home advising you on the details of your child's trip.

We will also be having a multi-aged sports day during the last week of June. We are lucky to have the camp organizers from the Village Recreation Center Summer Program working with us on that day.

Please note that this year our closing assembly will be on the

morning of June 19th. This is the last day of school and for students it will be a half day

Once again this year, the families of DCS and the community at large have been a big part of the success we have experienced this year. On behalf of all the staff and students I would like to take the opportunity to say, in this last newsletter of 2014-2015, a HUGE and sincere "Thank You" for your tireless support. We look forward to working with you again in the fall. We hope you have a safe and restful summer break.

K. Cooper,  
Principal

# Dorchester Consolidated News in Pictures

We had several speakers share their culture with us as several classes studied First Nations. Here, Mayor JJ Bear does some drumming with K-2 students.

Student Council students collect your kind donations during our Night of the Arts

During our Family Numeracy Day, K-4 run a mathematics obstacle course with the help of some members of our middle school student council

## Parent Patch

The last day of school  
for  
STUDENTS  
for the 2014-2015  
school year is  
Friday, June 19, 2015  
It is a HALF DAY

**THANK YOU**  
to  
*All the amazing  
volunteers who  
supported DCS this  
year !*

Winners of the Middle School Science Fair. Thank you to Mrs. G. LeBlanc for organizing the event and to judges Chris Porter, Lori Ward and Sean Ward.

Grade 8 student, Logan Harvey Shannon poses with his Winning Heritage Fair display. Logan was chosen to represent Anglophone East School District at the 2015 Provincial Heritage Fair which will be held in Fredericton the end of June. Logan's project will be at the Provincial Showcase held in Government House, Fredericton.
