

Lewisville Middle School

Breakfast Club

2016-2017

Once again this year, Lewisville Middle will be offering a breakfast program to all our students. **The club will open from 8:10 to 8:30 in the downstairs cooking class.** Cereal, toast, bagels, waffles, cereal bars, boiled eggs and yogurt will generally be served depending on availability. Students are invited to join in and prepare their own food. Supervision and assistance will be available from staff and volunteers.

If your child suffers from any food allergies or dietary restrictions and wishes to take part, please complete the form below and return to the school.

Volunteers are needed to help support our program. We are looking for volunteers to help out every morning. Tasks may range from dishwashing to food preparation and serving. If you or your child are interested, please fill out the bottom section of the sheet.

Thank you

A. Allergies/Food restriction

Student's name: _____ Homeroom: _____

Food Allergy: _____ Food restrictions: _____

B. Volunteer(s)

1. Student volunteer name: _____ Homeroom: _____

Day(s) preferred: _____

2. Parent volunteer name: _____
