Principals Report

- ▶
- ▶ Pink Shirt Day - Student leaders made announcements on the PA system about the pink shirt day. We had each child create a pink postcard to place on a giant pink t-shirt that we hung in the foyer.
- ▶ Our Friendship Fair before the break was a fun morning of different activities that our students engaged in to support bucket filling behavior. The If It Hurts Committee worked to plan the event - creating a friendship banner, friendship bracelets, Friendship ribbons, dancing and activities in the gym, and a Poetry station.
- ▶ Welcome to Kindergarten Event was held this week. We had a great turnout and our newest community members engaged with their parents in a lot of fun activities that will help to prepare them for school in September.
- ▶ Math Competition- We have a number of events coming up to celebrate mathematics. We have a district competition on March 28th. Our school will have an in house competition to choose our students who will get to participate in the district competition.
