School Lunch Order

Healthy, Delicious, Easy

How To Order

1. Create an Account OR
2. Go directly to “Order Now”
3. Select Province, City and your School
4. Click on “Go to Place Order Page”
5. Enter your child’s information
6. Choose an order option.
 1. **Order Menu Items** enables you to pre-order for specific days and specific menu items. Click on the dates you wish to order then check off the menu items. When complete, click on “Order Complete: Proceed to Checkout”
 2. **Order Meal Cards** (if available) enables you to order a pre-determined number of meals or milk. The card is kept at the cafeteria and your child chooses when to use it.
 3. **Declining Balance** (if available) enables you to put a lump sum amount on an account which the cafeteria keeps track of. Your child chooses what to purchase and when to use it. The cafeteria will notify you or your child when the balance is near zero.
7. Fill in the billing information, review/confirm order.
8. You will receive an order confirmation email when the order is accepted.
9. Should you require a credit due to illness, please know our credit policy requires that we be notified by email through our comment section no later than the same day by 9:00am.
