

Moncton High's very own Abby Perry put on a Michael Phelps type swimming performance this past July competing in the NB East Special Olympics. Her swim team won a total of 47 medals which included 20 Gold medals. Abby herself won 5 gold medals in both freestyle (25m, 50m and 100m) and backstroke (50m and 100m) events.

MHS would like to acknowledge Abby's accomplishments and let her know how proud we all are of her.

Bravo Abby!!
