Superintendents

The Legislative Assembly declared the third Saturday in September of each year the Becca Schofield Day in recognition of the outstanding efforts of this 17-year-old woman to encourage goodwill and kindness.

One of her wishes, while fighting against terminal brain cancer, is to make sure that as many people as possible perform random acts of kindness and share them on social media.

I ask you to invite school staff in your district to mark this important day and encourage all students to be gentle and compassionate and to share their goodness on social media using the word click #BeccaToldMeTo.

Sincerely,

Hon. Brian Kenny  
Minister
