

SUMMER SCHOOL 2018 GRADE 9 – 12

Students should attend summer school if they

- **Failed** a course that is required for graduation or required for admission to university and community college programs.

- **Passed but did not get a high enough mark** to be admitted to university or community college programs. Nearly all of these programs require more than a passing grade. For example, in 14 of the 18 programs offered at UNB the **minimum** requirement is a mark of **75** on a list of high school courses. (See <http://www.unb.ca/admissions/requirements/frlist.html>) Also note that universities and colleges warn students “seats are limited so meeting minimum requirements will not guarantee admission.”

- **Failed** a course that is a prerequisite to one required next year, for example, failing grade 9, 10 or 11 Math or English.

Fees

1 Course \$260.
2 Courses \$400.

Fees are refundable only during the first week of classes. Payment can be made by cash, visa, debit, mastercard or Interac e-transfer only.
