

Good Evening MHS Community,

This is Principal Mike Belong calling and I am saddened to inform you that, on Saturday night, August 5th, 2017, our school community experienced the tragic death of recently graduated student, Julia MacKay, who was involved in a motor vehicle accident.

As a tragedy of this nature can have an impact on many in our school community, we have attached to the email version of this talk mail, a "Parent/Guardians Guide for Students Reaction to Loss and Tragedy."

Should you feel any further support is required for your child during the summer months, please contact Atlantic Wellness Community Center at 382-0298 or Moncton Community Mental Health at 856-2444, or, if applicable, your EAP provider.

If you have further concerns that you feel cannot be addressed through these means, please contact MHS directly at 856-3439 and we will coordinate supports with the Office of the Superintendent and get back to you.

We know that you will join us in our concern, support and sympathy for those affected by this incident.

Thank you and Take Care.
