

Mount Allison is hosting a Moncton reception from 7-9pm on Wed. Nov. 15 at Resurgo Place (the Moncton Museum). This is an informal gathering open to students and their families, where you can meet and chat with MtA representatives and other future Mounties. You can ask questions, learn about admissions and scholarships, and bring along your transcript to receive admission on-the-spot and we will waive the \$50 application fee! We ask that students please register beforehand online at [discover.mta.ca](https://discover.mta.ca).
