RMS Families

Welcome to the 2021-2022 School Year!

Our 2021-2022 school year is off to a great start. We are excited about the year! RMS has a very qualified and extremely dedicated staff. Our focus is to develop a school community of Future Ready Learners. We want to meet each child's educational need and provide them with a sense of belonging at Riverview Middle School.

Parents and Guardians play a very important role in helping their child become a Future Ready Learner. At Riverview Middle School, we want to work with parents and our wonderful community to support our students. If at anytime you are looking for opportunities to assist in your child's education, please connect with us.

We look forward to an exciting year ahead full of wonderful learning opportunities and community involvement!

Best Regards,

Mrs. Kim Plume-Marr
Principal

Mrs. B. Kenny
Vice-Principal

School Cash Online

The \$15 TAFE (Art/Tech/Music) Fee is now set up for online payment! For SAFETY and Efficiency reasons, we want to reduce the amount of Cash & Cheques coming into our school. The School Cash Online system will remove most of the need to send cash or cheques to the school for school related expenses. *School Cash Online* is also an effective, private communication tool that informs parents about various fees and their purpose.

Step 1: Please use this link to access the "School Cash" website:

<http://district2.schoolcashionline.com>

Step 2: Select "Get Started Now" to follow the steps to register.

Step 3: After you receive the confirmation email, please select the '[click here](#)' option, sign in, and add each of your children to your household account.

GUIDANCE

If you have any guidance-related questions or concerns this year, please do not hesitate to contact Amanda Wilson at 856-3449 or e-mail to amanda.wilson@nbed.nb.ca.

This year we also have Mr. Jeremy Quiring back who can be reached at 506-856-3714 or e-mail jeremy.quiring@nbed.nb.ca.

ALLERGY

We would like to remind parents of the importance of allergy awareness. Severe allergic reactions can occur quickly and without warning, and some foods, like peanuts, can be life-threatening to allergic children. As you are all aware, we have several children with life-threatening peanut/nut allergies, and therefore **we are a peanut/nut free** school. Thank you for your co-operation.

School Information:

Any upcoming events, activities, contests, announcements etc will be put on the school website.
