### VanGO Exhibit

We are excited to be a part of the VanGO! exhibition of 10 artworks from the New Brunswick Art Bank on tour to Anglophone schools. A partnership of the Department of Education and Early Childhood Development and the Department of Tourism, Heritage and Culture, the exhibition helps to familiarize students with the language of the visual arts and with original works of art by professional New Brunswick artists.

This year marks the Anglophone East School District's 22nd Annual Fill The Bus Campaign. We are excited to announce that this year's campaign is not only virtual, but our schools are back at it again with the collection of non-perishable food items! In partnership with the Food Depot Alimentaire, all donations will go directly towards School Food Programs which run in all 39 of our schools daily. More than ever, the FDA needs your support to provide our schools with healthy and delicious food for our students to ensure their bellies are full and their brains are fueled for a day of learning!
