Principal's Corner:

It's December already – term 1 is in the books and reports have gone home – Holy Moly!!! The Orange Phase makes things a bit trickier at school. The students have been phenomenal ~ they wear their masks, follow the arrows and keep a positive attitude. I am so proud of them! We are endeavoring to keep things as normal as we can this school year but as we remain in the **Orange Phase** we are unable to do some of the things that are important to us such as the Santa Mart. This event requires many volunteers and bringing items into the school which would require us to sanitize. The Christmas Show and the Turkey Dinner albeit in a bit of a different way will continue. We will be limiting the number of volunteers and you will need to pre-register to volunteer on a particular day. Masks must always be worn in the school. Information on each event will be available soon.
