

Apohaqui Elementary School Hot Lunch

2021-2022

We are thrilled to inform you that we will soon be offering some relief to your lunch packing duties! We, the Home and School, along with AES staff, once again have a plan in place that will follow all COVID requirements. We can't wait to get these great options up and running for the 2021-2022 school year!

We have decided to start out with:

Mondays – whole wheat spaghetti with meat sauce & cheese with raw veggies & dip - \$3.90

Wednesdays – Subway 6" ham sub on whole wheat with cheese, lettuce & pickles with mustard
& mayo on the side - \$4.25

Fridays – Pizza Delight cheese pizza & applesauce - \$2.00

In addition, we will be bringing back the milk program and will give your child the choice of white or chocolate milk every day. The monthly cost will fluctuate with the number of school days per month.

October's order form is attached.

Ordering and Payment Method:

In the attempt to limit the amount of cash entering the school, we are strongly encouraging parents to order via e-transfer this year when possible. Payments would be sent to aeshomeandschool@outlook.com with the password: Lunch

We ask that within the message section, you include: 1) Your child's name ,2) Your child's homeroom class, 3) If your child would like 2 orders that day, please state & adjust your payment accordingly. 4) Milk – must state White or Chocolate.

For those who are unable to send payments electronically, we ask that you send cash or cheque (made out to Apohaqui Elementary Home & School) in a sealed bag, as well as the order details that you will find on the bottom of each form. Please be sure to include all the above information associated with your child's order.

A few notes:

- If you choose to order Hot Lunch for your child, you will need to commit to that meal option for the entire month.
- Please send the correct amount that is stated on the order form as we are unable to provide change.
- In the event of any school closures, be it due to weather or other reasons, we are unable to provide refunds. This also holds true for any student that may be absent on a day that hot lunch is ordered. In this event, the meal may be offered to another student within the class who may need a bit more to eat. Late orders **CANNOT** be accepted as orders need to be called in right away.
