Litterless Lunch

Once again this year, we will sponsor a Litterless Lunch day in April. On Friday, April 22nd in recognition of Earth Day 2022, we want to encourage students to 'Think Green' and reduce the amount of garbage we produce here at school. Students can earn a ballot for a special prize when they arrive at school with a litterless lunch on that day.

Remember to pack only reusable containers in the lunch cans!

SPECIAL THANKS TO:

Apohaqui Anglican Church Women for the donation of hats and mitts – our students will be warm and cozy on these chilly mornings!

Home & School

There will be a change to Hot Lunch starting in May!

Mondays – Chicken quesadillas with veggies. \$ 5.00

We hope everyone enjoyed their March Break!

Hot lunch – Mondays soup will be changing to chicken quesadillas with veggies starting in May.

Breakfast Program- We are excited to announce the breakfast program will restart on April 21st. It will be offered every Tuesday and Thursday. This has been a big hit with the kids in previous years and we are thrilled to be able to offer this program again.

Our next meeting will be held virtually on April 21st at 7:30pm. Some of our topics of discussion will be our end of year fun day and grade 5 send off. We love to see new faces and love to hear new ideas. Many hands make light work! An email invite will be sent out prior to the meeting.

French Second Language Info Night

The French Second Language Program Information Night for Kindergarten and Grade Five families for the Hampton Ed Center will be held **Tuesday, April 12th from 7-8pm**. This event will be held virtually; a link to the MS Teams meeting will be sent closer to the time. A copy of the PowerPoint presentation will be made available on the ASD-South website soon.

Please note that this provides you with information so you can make an informed decision for your child. If you are not already aware, unfortunately due to numbers AES does not offer Grade 1 French Immersion, students go to Sussex Elementary for this program. The form where you indicate your choice for Grade 1 or Grade 6 will follow soon after the presentation.

Weather in New Brunswick!

Br-r-r-r!

Yes, it may be
spring on the calendar
but it doesn't always feel like it!

Daytime temperatures may be going up, but it can be much colder in the morning than in the afternoon so please have your child dress in layers so that he/she may be outfitted appropriately for the season change. Even the sunniest days may not be warm and the ground is still damp and cold.

Also, as is the case each spring at AES we will have lots of water and puddles on the playground – a change of clothes in your child's backpack will help to avoid the calls home for dry clothes.
