Skating Day

February 14th is Skating Day!

Kindergarten and Grade 1 students will be arriving at the rink about 8:45 and **Grades 2-5** at about 9:30.

Parents/grandparents are welcome to join us. The students enjoy skating with family and we can always use extra hands to put on and tie skates; however, younger siblings cannot be on the ice surface during this designated school rental.

Remember, all students are required to have helmets and skates to be on the ice. When transporting skates on buses, they should be in backpacks or kit bags (please no plastic bags as blades can cut through these and be a safety hazard). Dressing in layers can also be helpful because children often get warm from the physical activity.

As part of our School Recycling Program, we will no longer be providing plastic spoons or forks to our students – we are asking parents to provide the necessary eating utensils when packing lunches. We are being more environmentally responsible citizens.
Thank you!

Parent School Support Committee Update:
Our next PSSC meeting will be held on Monday, February 20th @ 6:00 pm.

BIG THANKS TO:

Lee and Brenda Sharp for the donation of skates! There is a box in the office with skates if any student needs a pair.

Also, the Sussex Vale Quilters' Guild made a generous donation to go to purchasing food for our students!
