## Congratulations . . .

Caught You Being a Bucket Filler Students for June: Luke H, Jasper T, Brooklyn D, Paige P, Kaitlyn M, Logan H.

Special thanks to Subway for providing the lunches for this program!

## Looking for Quality After-School Care?

The Apohaqui Village Clubhouse, After-School Program is open daily from 2-6. We enjoy group play, art projects, science days, computer lab time, free play, and also homework time. For further information please call 433-2273.

## Attention Students! Talent Show

There will be a Talent Show Friday, June 23rd for the students by the students. See Mr. Britten with your idea for the show!

**NOTE:** Hot Lunch and milk programs will finish on June 16<sup>th</sup>. These will not be available during the last week of school.

Thank you for your support of our **Mother's Day Sale**. The students had great fun and \$251.95 was raised.

## Reminders

**Tuesday, September 5th, 2017** - School re-opens. School supply lists will be sent home with your child's report card and posted on our school website. Have a safe and happy summer!

Next year's **school calendar** dates will be put on the District and school websites as soon as it is approved.

In the **Fall** of 2017, there will be **staggered entry** for Kindergarten students as has been the practice in the past. Details on this will follow.

## **Literacy Minute:**

It is extremely important for your child to read and write over the summer! The Sussex Library offers a Summer Reading Club; taking part in this program is one great way to encourage your children to continue reading during the summer holiday. There are many other ways to engage in reading and writing.

Encourage your children to:

- Take turns reading aloud every day;
- Have them write postcards to family and friends;
- Listen to audio books in the car;
- Read the same book your child is reading and discuss it;
- Have your child keep a summer scrapbook – have them tape in souvenirs, pictures, postcards and ticket stubs. Then they can write captions, labels, and detailed descriptions on those items. The scrapbook will give them many ideas to write about when they return to the classroom in the fall.

## **Kubota on Tour**

Hall Brothers in Norton invite students and parents to check out the KOT (Kubota on Tour) truck on June 6<sup>th</sup>. The truck will be set up until approximately 4:30 that day.

We know many students would be excited to experience interactive, touch screen electronic displays, watch videos via digital projection and talk about the related equipment. Originally we had hoped to have the truck visit Apohaqui Elementary, but due to time constrictions this could not be arranged.

More information on KOT? See <https://www.youtube.com/watch?v=hWyzcbslKeY>

**Reduce - Reuse - Recycle** - The Green Team will be doing a draw on June 23rd. Students receive one ballot for the draw for every 5 batteries.

## Looking ahead to next year:

Kindergarten - Mrs. Hoyt  
Grade 1 - Mrs. Ravn  
Grade 2 - Mrs. Johnson  
Grade 3 - Mrs. Bettel/Mrs. Surret  
Grade 4/5 - Mme. Carr  
(Based on current enrollment numbers)

## HOME & SCHOOL NEWS

Thank you to everyone to came out for our Family Fun Night on May 17. This event was a huge success!!

We have a very exciting End of Year Celebration planned for June 21 at the school. Any parents willing to volunteer for the day can contact the school!

Have a safe and happy summer!

### Marigolds in Apohaqui

We will be planting marigolds during the second week of June. Permission slips for 2 classes to leave school grounds will come home. The other classes will be planting on school grounds.

### Father's Day Trees

For Father's Day we will promote our "Go Green" theme and provide funds for our playground. Each child will be provided an evergreen tree to plant and care for together! These will be brought home on Wednesday, June 14th. Your generous donations will be collected for our playground fund. Thank you in advance!

Supporting kids' health for more than 30 years, Heart and Stroke Jump Rope for Heart™ encourages kids to get active by skipping rope while they collect pledges for heart disease and stroke research. The program gives children the chance to jump and play alongside 750,000 other kids in more than 4,000 schools across Canada. As a thank you for fundraising for such a great cause, our school will hold a Jump Rope Event on Tuesday, June 13th. This involves a fun filled afternoon participating in different jumping activities outside. If you'd like to come join the fun, let your home room teacher know you're interested in helping out. Extra hands are always welcome to spin big ropes for others to jump or get in and get your own heart rate up!

### Heat Alert and Response System

Extreme heat poses a major health risk to the public, especially vulnerable populations like older adults, young children, and the homeless, as well as those with chronic health conditions and those using certain medications. Further to a federal, provincial and municipal Heat Alert and Response System (HARS) pilot project carried out in Fredericton and three other Canadian communities in the summer of 2010, the Office of the Chief Medical Officer of Health for New Brunswick (Health Protection Branch) will expand to other larger urban centers across the Province in 2016, with the intent to eventually move the system into all communities in 2017.

The heat alert is based on the Humidex value. Alerts are issued to agencies or organizations that look after vulnerable populations. A variety of actions can be taken to reduce heat stress. The New Brunswick Public Health webpage on HARS is currently under construction and will be available soon. Information on heat stress and illness can also be found at <http://www.hc-sc.gc.ca/ewh-semt/pubs/climat/index-eng.php#extreme>

Douglas Walker  
Regional Director, Health Protection

## Attendance Matters!

### PERFECT ATTENDANCE FOR THE MONTH OF MAY

Kristen A.	Jaden A.	Joel C.
Adison C.	Hayden F.	Hunter F.
Lucas F.	Izabella G.	Blake G.
Harvey G.	Evan H.	Avery H.
Brian H.	Logan H.	Luke H.
Ashton K.	Jadyn L.	Claire L.
Hannah M.	Brayden M.	Vance M.
Jack P.	Paige P.	Gavin P.
Dylan T.C.		

*Have a safe, active, and happy  
summer!  
See you in September!*
