## Celebrate Notes . . . !!

Subway is once again sponsoring our "Caught You at Your Best/Caught You Being a Bucket Filler" program.

This initiative brings a number of on-going initiatives together in one monthly celebration. AES promotes the positive learning environment through involvement in the Bucket Filler program. Students have the opportunity to have their positive actions and kind, respectful words recognized by having a ballot placed in the class 'bucket' when they are 'caught' making these exemplary choices. Once a month each class randomly chooses one child's name out of this bucket and the fortunate winner receives a free Subway lunch provided by our local Subway restaurant in Sussex. Students also have their names read on the morning announcements and the list is placed in each monthly parent newsletter. The names and Subway orders are collected by two grade 5 students involved in the Friendly Helper leadership program.

Students recognize that it is an honour to receive the free lunch which also provides an opportunity for staff to promote the extra benefits of making kind, caring choices on a daily basis.

The winners in October were: Bently D, Marley L, Jadyn L, Ally W, and Parker M.

**Apohaqui Elementary is part of the New Brunswick Anglophone School District – South and is directly supported by the Hampton Education Centre.**

## **Curling for Grade 4/5's**

We are excited to have the opportunity for the Grade 4/5 students to go curling at the Sussex Golf and Curling Club again this year. Clean indoor shoes, warm clothing (in layers) and helmets are required for students to be permitted to attend. The dates are Thursday, November 30, December 7 and 14.

*Thank you to the Sussex Curling Club, organizers and volunteers who make this possible for all Grade 5 students in the Sussex area.*

## **Congratulations to our "Firefighters for a Day"**

The following students won the draw and were "Firefighters for a Day" at the Sussex Fire Department on October 21st.

Gr. 2 – Jadyn L, and

Gr. 3 – Syrus K.

## **Career Week**

October 30 – November 3 all across the Country students from K- College will be discussing careers. This week allows all students to participate in activities, lesson plans and workshops to make sure that Canadian students have the information they need to make wise career decisions—information about skills, education and training. It is neat for the students to make a direct link between the skills they use now to employment in the future. If you would like to visit your child's class please send along a note or contact the school. See how many different careers you can name each day at your house! On November 3rd your child will also have a chance to dress in their career choice or a job they would like to do someday.

## **Sobeys "Stuff the Bus" food drive**

Sobeys and our Community are joining together to help feed the hungry. Send in non-perishable food items and help "Stuff the Bus." The items will be picked up Wednesday, November 29th! By collecting donations from the students, staff, friends and/or family, we can make a difference!

## **Random Act of Kindness~**

We are lucky enough again this year to be awarded money from the Sussex and Area Community Foundation to help us with our Random Act of Kindness. We will be purchasing small gifts for Ms. Bevans' Craft Club to place around the village during a walk next week.
