School Supplies for 2023-2024

Kindergarten – Grade 5

AES will be purchasing school supplies in the Fall for a nominal fee.

The fee will be \$40 per student and it will include all classroom materials required at school for the year. This fee can be paid through School Cash Online. This option will be available starting mid-August.

Parents need only supply two (2) boxes of Kleenex, water bottle, lunch can, and indoor shoes.

NOTE: teachers will evaluate the condition of current headphones and will contact you if new ones are needed.

We ask that you pay our school fees by Sept. 29, 2023. If you require an alternate arrangement for payment, please reach out to our Principal, Sarah Richards at sarah.richards@nbed.nb.ca beginning in September 2023.
