All ASDS Schools are Scent and Peanut/Nut Free

Thank you to bus driver Lillian Wells for walking students through the rules about bus safety on October 26. Whether a bus student or not, all students benefit from this important information.

Events This Month

- Nov. 11** Remembrance Day—No School
- Nov. 15** NESPA Meeting @ 6:30
- Nov. 19** No Classes—Professional Learning for Staff
- Nov. 29** Report Cards Issued

Having a consistent schedule provides children with a sense of safety and security. When unexpected changes occur, it can cause anxiety, especially in younger students. Therefore, we ask that whenever possible after school arrangements are consistent. Please send a note to your child’s teacher if you need to make changes. We cannot guarantee that phone calls received in the office after 1:30 will reach the teacher before dismissal. As well, unless you receive a response, please do not assume that your child’s teacher has received a text message or email. Thank you for your assistance in helping us to make dismissal time run as smooth as possible.

No Classes on Nov. 19

Teachers will be taking part in Professional Learning activities. Report Cards are scheduled to go home on Nov. 29. More information regarding Parent Teacher Conferences will be sent as the date draws near.

Principal's Post

Time is flying as the school year continues to progress. The coming month will see students and staff engaged in many activities that will lead us up to report cards being sent home on November 29. So many things factor into student success at school. Regular routines and attendance, reading each night and a positive attitude about at and about our school and learning environment all contribute to children having a positive outlook on learning and a sincere “Can Do” attitude and belief in their ability to learn. After report cards are sent home, parent teacher interviews will be held virtually to give parents a chance to meet with their teachers to discuss next steps in their child’s learning.

Upcoming

- Dec. 3** Parent Teacher a.m./Professional Learning p.m.
- Dec. 23** Last day before Holidays—Full Day
- January 7** No Classes— Professional Development for Staff
- January 10** First day back for students after break

NESPA has had two meetings to date to discuss hot lunch and upcoming fundraising activities. We thank Sarah Monahan and her team for the time and effort they put into this very important committee. We are still looking for a chair for our PSSC this year. This committee, which meets once each month, helps us look at our School Improvement Plan and the results of our Student Perception and Wellness surveys and helps us to set goals for the future. If this sounds like something you would be interested in please contact the school.
