All ASDS Schools are Scent and Peanut/Nut Free

What a difference a month makes! The shorter days and cooler temperatures are starting to turn our province into a palette of beautiful autumn colours. We hope everyone has the opportunity to get out and enjoy nature during this time of year.

Principal's Post

It is hard to believe we have entered our second month of school. Time flies, doesn't it? Already we are looking toward registration of our new Kindergarten students who will enter school in September, 2022. So far we have gotten off to a smooth start in large part due to the combined efforts of staff and families working together. Our parents' group, NESPA has had their first meeting and are discussing possibilities for hot lunch and fund raising and our PSSC has also met to help begin to look at setting goals for the year ahead. I wish to thank all of the parents who have been able to take time to volunteer on these two valuable committees. Our school is certainly better because of your efforts.

Fire Prevention Week—Oct. 3-9, 2021

Throughout the year fire drills are conducted as part of our School Comprehensive Safety Plan.

This year's Fire Prevention Week campaign, "**Learn the Sounds of Fire Safety!**" speaks to educate everyone about the important actions they can take to keep themselves and those around them safe. During the month, teachers discuss the importance of having a fire emergency plan at home.

Thank you to the Office of the Fire Marshall for providing students with a copy of the Fire Safety Gazette to share with their families.
