**A huge thank you to Sussex Co-Op for supporting SES with their 50/50 draw!**

This was possible with the generosity of Sussex Co-Op, their members and all those who said "yes" to 50/50 when grocery shopping! It's amazing how \$1.00 50/50 tickets can add up so quickly to **\$7,312.40!**

#### Join SES Home & School

We meet on the third Tuesday each month at 6:30 in the school library  
All are welcome!

#### Coming in MAY!!

We are so excited for our 2nd Annual **Family Movie Night** (Fundraiser at the Sussex Drive In)

Last year, this was a great success and a ton of fun!

Stay tuned for further details (especially the date!)...

#### Another way where a little can really add up!

**Norrad's Recycling Center** - There is an account set up for SES at the recycling center. When you return your recyclables, let them know you would like to donate the refund to SES Home & School.

**What an easy way to support your school!**

## SES Code of Conduct

## SES Snack of the Week

Apr. 14-18 - Celery

Apr. 21-25- Grapes or bananas

Apr. 28—May 2 - Carrots

Thank you to all the parents for your support of this healthy eating initiative.

*We welcome donations of used books at any time. Our next used book sale will be in June. Feel free to drop some off when you are in for student-led conferences. Thank You!*

*A special thank you to Emma H. and Maggie M. in Gr. 5 for organizing our Day of Silence in support of "Free the Children," held Friday April 11th. The grade 5 students went the entire day without talking in support of this cause.*

## 2013-2014 New Brunswick Elementary Student Wellness Survey

The New Brunswick Elementary Student Wellness Survey began in 2007-2008 for grades K-5 and was repeated in 2010-2011. As part of the NB Wellness Strategy, the New Brunswick Department of Healthy and Inclusive Communities in collaboration with the Department of Education and Early Childhood Development and the New Brunswick Health Council have undertaken the 2013-2014 NB Elementary Student Wellness Survey to measure and report on the wellness behaviours of all students in grades K-5. Students will be asked questions about their wellness behaviours such as their eating and physical activity habits, bullying, mental fitness and how connected they feel to their school. All students in grades 4-5 will be asked to complete a student wellness survey, and parents/guardians of all students in grades K-5 will be asked to complete a family wellness survey. By taking the time to complete this survey, students and parents can contribute to their school's improvement plans and student wellness activities. On *[insert survey date]*, our school will be participating in this survey, as we aim to improve the health and wellness of children in our community. If you would like more information on this survey, please call the New Brunswick Health Council at 1-877-225-2521.

**Thank You Teachers and Students!**  
Despite this message being long overdue, I wanted to send out a huge congratulations to each of you who spearheaded the “Curling Mural Project” at your school this winter! The murals were spectacular – such a striking, colourful and welcoming celebration of the teams participating in the Women’s World Curling Championships. At the opening on Saturday, March 15, I was excited to see people stopping along the Pedway to admire and talk about the murals, and

even caught one team happily posing for photos in front of ‘their’ mural!
