## **Volunteers Needed!**

Elementary Literacy Friends (ELF) is a volunteer-based literacy program that helps Grade 2 students who would benefit from additional one-on-one literacy activities. ELF provides training, materials, feedback and all of the support necessary for each volunteer to make a positive, lifelong impact not just on a student, but on how that student will contribute to society throughout his or her life.

Volunteers do not need previous teaching experience; only a willingness to help and commit to the ELF requirements.

Following an initial 3-hour training session, the volunteer is matched with a student. The volunteer works with the student for 1 hour at the end of the school day, 2 times a week for 10 weeks.

To learn more about ELF or to register to become a volunteer, visit us online at [www.elfnb.com](http://www.elfnb.com) or call 1-855-898-2533

### **Pink Shirt Day - Feb. 27th**

Pink Shirt Day began in 2007 after two Nova Scotia teenagers encouraged their fellow students to wear pink T-shirts in support of a pupil who was being bullied. Since then, schools, businesses and communities across Canada have recognized this day.

The provincial government of New Brunswick is encouraging everyone to take a stand against bullying within our schools, communities and workplaces. AWARENESS of anti-bullying initiatives is key to fostering respect and tolerance for all members of our population and creates safe and healthy environments for both learning and working.

### **Valentine's Dessert**

The cafeteria will be selling Strawberry Shortcake as a special dessert on Valentine's Day. Tickets are \$2.00 and will be on sale from Monday, January 27, 2014 to Monday, February 10, 2014. There will not be a Valentine's dinner like the Thanksgiving and Christmas one.

Family Literacy Day is here again on January 27<sup>th</sup>. It is fast approaching, and to help promote it, SES has some great activities for the week of the 27-31. In honour of Family Literacy Day's 16<sup>th</sup> year, ABC Life Literacy Canada is encouraging Canadian families to have "15 Minutes of Fun" learning.

Read the following information to see how you and your family can be involved in next week's literacy activities.

### 1. PASSPORT FOR LEARNING

Names of finished passports will go into a draw for one of 10, \$10 gift certificate to the upcoming book fair. **DUE: MONDAY, FEBRUARY 3<sup>rd</sup>.**

### 2. T-SHIRT READ

Have your child wear a shirt with print on it (appropriate sayings please). Two winners from each room will be chosen and their name will go into a draw for \$10 gift certificates for the upcoming book fair. **DAY TO WEAR T-SHIRT: WEDNESDAY, JANUARY 29**

### 3. DAILY RIDDLE

Each day a "Who Am I" riddle will be read on the announcements for K-2 and 3-5. The answer to the riddle will be a story book character. Student guesses will be put in a draw for K-2 and 3-5, and winners will be able to pick a prize from our Literacy prize box.

Strategies for parents to foster literacy skills in their children and strengthen their own literacy skills along the way:

- The television can be used as a tool. After your child watches a television show or an episode, talk to them about it. Ask them questions like, "What was your favourite part?" or "What was the episode trying to teach the audience?"
- Don't lose sight of the fact that children model behaviour they see. Ensure that your child sees you reading whether it's the newspaper, the mail or the cooking instructions on a frozen meal. This shows your child how important it is to read.
- While reading a story to your child, pause to ask them what they predict will happen next or have them summarize what has happened in the story thus far.
- Today's children are influenced by music. Have your child read the lyrics to their favourite song. When your child hears the song, they will visualize the lyrics they read.
- All reading is good reading. If your child is a reluctant reader, allow them to read comics, a graphic novel, a magazine or an instruction manual for their favourite sport.
- When you are in the mall, grocery store or out for a walk, have your child read signs, posters and flyers.
- Families that spend a lot of time in the car can play an audio book.

- Have your child help you make dinner by reading a recipe card.
- Play board games with your child that involve making words or reading instructions on cards.
- Watch a movie that is based on a book. To really enhance critical literacy skills, have your child identify the key differences between the movie and the book.
- Reading aloud helps children develop pace and voice. Have your child read to the family dog, teddy bear or their younger sibling. These are nonthreatening audiences that will help develop your child's confidence.

Developing literacy skills is a task that requires a lot of patience from the parents and the literacy learner. As such, making the process enjoyable for everyone involved can go a long way in alleviating anxiety and opening the doors to developing lifelong literacy skills.
