Teachers, educational assistants, custodians, bus driv-

a positive environment to learn and grow.

## Introducing the EcoKids Battery Hero Art Contest

The EcoKids Battery Hero Art Contest, in partnership with [Call2Recycle](http://Call2Recycle), is now open! It is a fun new contest for students in grades K-8 to put their creative talents to work. To boost awareness around proper battery recycling, we're asking students to create their battery hero, a superhero who prevents batteries from filling up our landfills.

The contest runs from **January 12 – February 27, 2015**. The winning battery hero will star in a new episode of Paddy the Beaver on the [Kidoons Network](http://Kidoons Network) and be featured on [ecokids.ca](http://ecokids.ca)! For more information about the contest, visit us at [ecokids.ca/contests](http://ecokids.ca/contests). We look forward to reviewing your entry.

## Pink Shirt Day - Feb. 25th

Pink Shirt Day began in 2007 after two Nova Scotia teenagers encouraged their fellow students to wear pink T-shirts in support of a pupil who was being bullied. Since then, schools, businesses and communities across Canada have recognized this day.

The provincial government of New Brunswick is encouraging everyone to take a stand against bullying within our schools, communities and workplaces. AWARENESS of anti-bullying initiatives is key to fostering respect and tolerance for all members of our population and creates safe and healthy environments for both learning and working.
