Parent communication on Policy 322 Parent Information Sessions

The Department of Education and Early Childhood Development realizes the importance of keeping parents informed on all educational matters and policy developments. In keeping with this mandate, personnel at the Department and District Level will be hosting parent information sessions in regard to Policy 322 which establishes the requirements to ensure New Brunswick public schools are inclusive. Each parent session will focus on the intent of Policy 322 which is "the pairing of philosophy and pedagogical practices that allows each student to feel respected, confident and safe so he or she can participate with peers in the common learning environment and learn and develop to his or her full potential". Parents will gain an understanding of the intent and practice of this important educational policy and have an opportunity to ask questions related to clarification of this policy.

Parents are encouraged to attend one of the following information sessions within Hampton Education Center:

Wed., October 22 at 6:30 p.m. at the Sussex Regional High School Library

Thurs., October 23 at 6:30 p.m. at the Hampton High School Library

Tues., October 28 at 6:30 p.m. at the Rothesay High School Library

Please feel free to attend any one of the three information session convenient with your schedule. We look forward to seeing you in the near future.
