* Beginning September 2020, students expected to graduate in 2023 must complete 18 credits for high school graduation, 2 of which must be Mathematics credits. Numbers, Relations & Functions is considered a mathematics credit, as well as all Grade 11 & Grade 12 courses within the three mathematics graduations pathways.

~ Goals, Growth & Grit: Skills for Success 120 will be worth 1 credit toward the 18 credits required for high school graduation. The credit will be awarded in the Grade 12 year.
