

Sussex Regional High School - School Improvement Plan 2023-2025

Sussex Regional High School is going to work towards improving behaviours related to bullying with a focus on cyberbullying, by reducing the number of incidents reported by 10% and by improving reported school incidents through check in surveys.

Strategies

1. Communication to all students in school wide assemblies
2. Monthly mini lesson on appropriate use of social media
3. Monthly poster in every classroom about appropriate use of social media
4. Anonymous reporting system for students

Data Used

1. Incidents reported to office
2. Anonymous Reporting system
3. Student Perception (EECD) Surveys
4. Youth Check in (EECD) Survey

Goals (updated February 2025)

1. By June 2025, Sussex Regional High School will reduce incidents of bullying of 25%
2. By June of 2025, a clear, consistent and predictable system will be created and implemented by all staff to reduce student presence in hallways, lobby, and washrooms during class time
