

Minister's Excellence in Education Award

Do you know an educator who is making a significant difference for learners?

The Minister's Excellence in Education Awards recognizes educators demonstrating outstanding skills in:

- Innovative educational practices and leadership
- Responding to the diverse needs of all learners
- Lifelong learning
- Fostering a positive learning environment

This is a great opportunity to acknowledge an individual who demonstrates exceptional commitment and dedication to learners!

Individuals or groups, including parents and students can submit nominations.

Nomination forms with additional information are available on the NBED Portal and the GNB website, www2.gnb.ca/education.
