## Staying Connected

Communication with our Sonics and their families is critical as we work together to provide the best education for our students. To stay best informed, we would encourage accessing the Parent PowerSchool Portal for current attendance and marks, reading the SRHS newsletter and frequently referencing our SRHS webpage.

*Sussex Regional High School strives to support and educate the whole learner by creating a positive, inclusive environment where each person is accountable, respectful, involved and proud of their school community*
