

**Welcome** to the 2023-2024 school year at Sussex Regional High School. Our student body has increased this fall with visiting international students, and new students who have moved to the area. We are excited to get to know all our Sonics in the coming months.

Our Open House was well attended and allowed us to meet many of our students and their families before classes began.

This past Friday, we held our first school wide event for students. Our 2<sup>nd</sup> annual free **Happy Fall Y'All** barbeque and fun noon activities were an overwhelming success. Thanks to our staff, many students and parent volunteers who made it happen!

**Communication** is an essential part of our Sonic's academic success. We rely on families to partner with us. Please reach out to teachers or administration by calling the school directly or by emailing. Our work day would allow communication between 8:30 a.m. and 4:00 p.m. with parents and students. Staff are with students for the majority of that time so please allow 24 hours for a response. A few easy ways for families to stay informed about school life and their student's academic standing are by reviewing our SRHS webpage, viewing daily announcements, and by signing up for the Power School Parent Portal.

**Courses** are now scheduled and students received a course outline (syllabus) that provided information about the curriculum, the classroom expectations and how students will be graded. Students will receive regular feedback and marks will be updated regularly on Power School. Our first report card will be mid November.

**Belonging** at SRHS means actively participating in not only classes, but also in noon activities, by joining a club, being part of a sports team and coming out to cheer on their fellow Sonics. As families, please don't miss your chance to belong at SRHS as a supportive parent, volunteer or by rooting for our Sonics!
