# COVID-19 OPERATIONAL PLAN FOR SCHOOLS

To ensure each school environment safely applies risk mitigation measures consistent with Public Health guidance and the *Occupational Health and Safety Act* and Regulations. All schools, and district offices, must develop a written COVID-19 Operational Plan to provide the safe environment needed for students and staff. Refer to the *Return to School*, September 2020 document and its appendices for primary support for the requirements listed below. This completed document shall be submitted to Clare Tooley, [clare.tooley@nbed.nb.ca](mailto:clare.tooley@nbed.nb.ca) for review by August 26<sup>th</sup>, 2020. It will then be signed off by Zoë Watson or John MacDonald and returned to the principal for implementation and distribution.

The following document is intended to provide a check list with spaces for each main topic area along with resources. This will help the plan owner, (school Principal), outline each school's Operational Plan. Communication plans must consider and include staff, students, parents/guardians, visiting community professionals, and public. The District Occupational Health and Safety Coordinator is expected to be the primary support for staff and students. School Joint Health and Safety Committees (JHSCs) should be considered integral to preparations and support for September operations and beyond.

Plan Implementation Date September 2020

From October to May, minimum monthly review is required. Principal will sign below to identify when this plan has been reviewed internally (by the principal or JHSC) to assess any new risks or changes to regulatory guidelines; and as increased hazards/risk conditions warrant. **Keep this original first page for a record of reviews as the rest of the document may change.**

# USE OF COMMUNITY MASKS

## Appendix A

*Return to School: Yellow Phase March 8, 2021*

Public Health has identified the use of community masks as an effective tool to help control the transmission of COVID-19. The following directives may be adjusted as new evidence becomes available.

### Directives

- All students and school personnel are expected to bring a clean community mask to school with them every day.
- Community mask requirements will not apply to students or school personnel who have been advised by a medical professional to not wear one due to an underlying medical condition, such as asthma, etc. Appropriate documentation will be required and submitted to the principal.
- In some instances, face shields may also be worn as an additional measure. Please note, face shields are not the same as a community mask and do not offer the same protection. As such, if a shield is worn, a community mask must also be worn. School personnel will be provided face shield and it is a personal choice to wear one.
- Students or school personnel who become symptomatic throughout the school day will be required to wear a community mask until they leave the school building. Measures are in place to guide schools regarding individuals who become ill during the school day. Please refer to the *Appendix K – Outbreak Management* for further guidance.
- The use of a community mask does not replace physical distancing. It is a measure used in conjunction with other practices to mitigate the risk of COVID-19 spread.

# USE OF COMMUNITY MASKS

## Appendix A

### Students

The following table describes the requirements for the use of community masks and physical distancing for students. Parents, teachers and school personnel should model safe and healthy behaviors and teach and encourage them in students. If a student refuses to follow these requirements, disciplinary action may be taken.

| Use of community mask and physical distancing for students |  |                     |  |
|--|--|---------------------|--|
| Grade and measure  |  |                     |  |
| K-5  | In class grouping                                    | Community Masks     | Not required   |
|  |  | Physical Distancing | Not required*  |
|  | In common areas when class grouping is not protected | Community Masks     | Encouraged   |
|  |  | Physical Distancing | Two (2) metres   |

|   |                   | Physical Distancing | N/A                    | Two (2) metres   | Two (2) metres  |

### On the school bus

- While masks are encouraged, younger students (K-5) sitting with a member of the same household, or alone, will not be required to wear masks. Older students (Grades 6-12), will wear masks when getting on and off the bus and if they are sitting with another student who is not from the same household.
- If a student in Grades 6-12 does not have a mask upon boarding the bus, one will be provided temporarily. Parents are to provide clean masks for student use. Incidents of non-compliance may be reported to the school principal for follow up.

### Members of the Public visiting school

Any member of the community, including: parents, volunteers, repair workers, public health nurses, etc., who enter the school during operational hours will be required to keep a physical distance of two (2) metres and wear a community mask for their pre-approved appointment or time, in addition to all other health and safety measures. These practices should be explained prior to the visit and signage should be posted as well.

# Changes in Directives for Early Learning and Childcare Facilities and Schools

January 17, 2021

**ALERT LEVEL: RED**

The following details the changes in directives that will take place in a school or early learning and childcare facility in a region of the province that has been placed in Red Level. This document supplements the [Return to school: Direction for school districts and schools](#) as well as the [COVID-19 Guidance for Early Learning and Childcare Facilities](#).

## Travel to a Red Level Zone

All travel between a Yellow Level or an Orange Level zone and a Red Level zone will be limited in accordance with the Mandatory Order. Individuals who live or have travelled to a Red Level zone must follow government guidelines which can be found on the [Government of New Brunswick's web site](#).

## Staff rooms

The use of commonly used rooms by personnel in schools and early learning and childcare facilities, such as lunch or break rooms, is prohibited.

## Early Learning and Childcare Facilities

Early learning and childcare facilities located in a Red Level zone are permitted to continue to operate. Parents, who do not usually access licensed childcare for their school-age children, may enrol them in childcare to permit continued employment.

Only early learning and childcare facility staff, children, and personnel deemed essential, such as representatives from Public Health, WorkSafe NB or the Department of Education and Early Childhood Development are permitted to enter an early learning and childcare facility in a Red Level.

## Groupings of Children

- Changes to groupings of children are not permitted in a Red Level.
- New registrations and enrollments are permitted in a Red Level. Where possible, and if numbers support them, new groupings are recommended for new enrolled children.

## Screening

- Active screening will be done before entering an early learning and childcare facility. This applies to early learning and childcare facility staff, children, and all other personnel deemed essential such as representatives from Public Health, WorkSafe NB or the Department of Education and Early Childhood Development.
- Temperature checks will be done twice a day, upon arrival and again at mid day.

# Changes in Directives for Early Learning and Childcare Facilities and Schools

January 17, 2021

**ALERT LEVEL: RED**

## Mask Use

- Children under 5 years of age in early learning and childcare facilities are not required to wear a community mask within their group. However, children over the age of two years old are required to wear a community mask in common areas such as corridors and bathrooms. Children must be supervised depending on the child's ability to tolerate the mask, as well as, when putting on and taking off the mask.
- School-age children (4-12) in early learning and childcare facilities are required to wear a mask at all times, including outside. Exceptions will be when they are eating.
- All employees of early learning and childcare facilities are required to wear a mask at all times, including outside. Exceptions will be when they are eating or sitting alone in a closed office or room.
- School-age children and early learning and childcare facility employees are expected to bring two clean community masks with them each day.

## Transportation and Field Trips

- Early learning and childcare facilities located in a Red Level zone are permitted to continue to provide transportation to and from school. All passengers, including the driver, are required to wear a mask, even when sitting alone or with a member of the same household.
- All field trips must be cancelled.

## Public Schools

Public schools will remain open during a red alert zone. In the event that a parent chooses not to send their child to school, the parent is responsible for their child's education. Teachers are not required to support learning but support to the families will be encouraged and appreciated.

## Screening

- There will be active screening prior to entry into the school building for all school personnel.
- Parents must screen their children EVERY DAY before sending them to school and must keep them home if they have ONE symptom or more.
- Students and school personnel are not permitted inside the school building if they have ONE symptom or more.

# Changes in Directives for Early Learning and Childcare Facilities and Schools

January 17, 2021

## ALERT LEVEL: RED

### Mask use

- Students in Grades K-12 are required to wear a mask on a school bus, even when sitting alone or with a member of the same household.
- Students in Grades K-8 are required to wear a mask at all times at school, including outside. Exceptions are when students are sitting at a desk working silently or eating. Students will be required to wear a mask during physical education class.
- Students in Grades 9-12 are required to wear a mask at all times at school, including outside. Exceptions are when students are eating. Students will be required to wear a mask during physical education class.
- School personnel are required to wear a mask at all times at school, including outside. Exceptions are when they are eating or sitting alone in their closed office or classroom.

### Positive Case

- If there is a confirmed case in a school, the school will be closed to students for 3 consecutive days, including weekends, to allow for contact tracing.
- Students will not be permitted to attend an early learning and childcare facility during these 3 days.
- During these three days, teachers will have to support students' learning at home by various means (online teaching, materials, contact by various means, etc.).
- All school personnel will be offered COVID-19 testing.

### Extra-curricular activities

After-school clubs and sports are cancelled.

### Music Education and Activities

The use of wind instruments and singing are not permitted in a Red Alert Level. Extra-curricular music activities, such as SISTEMA, theatre, choir and band, are not permitted.

### Physical Education and Sports Activities

- Only activities that are conducive to physical distancing, such as yoga, dancing and moderate walking, are permitted in high school. Masks must always be worn.

# Changes in Directives for Early Learning and Childcare Facilities and Schools

January 17, 2021

## ALERT LEVEL: RED

- Activities that are conducive to physical distancing, such as yoga, dancing and moderate walking are strongly recommended for K-8. Masks must always be worn.
- Interscholastic, extra-curricular and intramural sport activities will not be permitted in Red Level.

### Immunocompromised students and staff

- Students and school personnel who are immunocompromised should contact their health care provider for direction. Distance learning plans will be put in place. The IWK has defined immunocompromised as being a person who:
  - is having chemotherapy currently or have within the last 6 months
  - is having radiation therapy
  - has received a bone marrow transplant in the last year or Graft Versus Host Disease
  - is a recipient of a solid organ transplant
  - has sickle cell disease
  - has a spleen that does not work
  - has a genetic cause for immune dysfunction
  - has HIV/AIDS
  - is taking immunosuppressive medication
  - has other history of immune suppression, as defined by a Physician.

- School-age children and early learning and childcare facility employees are expected to bring two clean community masks with them each day.

## Screening

- Active screening will be done before entering an early learning and childcare facility. This applies to early learning and childcare facility staff, children, and all other personnel deemed essential such as representatives from Public Health, WorkSafe NB or the Department of Education and Early Childhood Development.
- Early learning and childcare facilities must establish specific rules regarding access to the facility and must post the screening requirements at the entrance of the early learning and childcare facility.
- Parents and guardians will not be permitted to enter an early learning and childcare facility during an Orange Alert Level.

## Field trips

All field trips must be cancelled.

## Public Schools

### Mask use

- Students in Grades K-12 are required to wear a mask on a school bus, even when sitting alone or with a member of the same household.
- Students in Grades K-8 are required to wear a mask at all times at school, except when students are sitting at a desk working silently, eating, or engaged in sports activities during physical education class. This includes when the students are outside.
- Students in Grades 9-12 are required to wear a mask at all times at school, except when students are eating, engaged in sports activities or during physical education class. This includes when the students are outside.
- School personnel are required to wear a mask at all times at school, except when they are eating or sitting alone in their closed office or classroom. This includes when school personnel are outside.

November 19, 2020

**ALERT LEVEL: ORANGE**

The following details the changes in directives that will take place in a school or early learning and childcare facility when a region of the province has been placed in an orange alert level. This document supplements the [Return to school: Direction for school districts and schools](#) as well as the [COVID-19 Guidance for Early Learning and Childcare Facilities](#).

## Travel between orange and yellow alert zones

Everyone travelling between Orange and Yellow alert zones must self monitor and wear a mask for 14 days and must follow directives in accordance with the Mandatory Order as if they were in the orange phase. This applies to travelling professionals, supply teachers, school personnel and students, and employees of early learning and childcare facilities and children attending early learning and childcare facilities.

This only applies to the individual who has travelled and does not apply to other members of the same household. It is recommended that members of the household self monitor and get tested if they develop symptoms of COVID-19.

## Early Learning and Childcare Facilities

Early learning and childcare facilities located in an orange alert zone are permitted to operate.

# COVID-19 OPERATIONAL PLAN FOR SCHOOLS

## Section 1 - RATIONALE – Effective Risk Mitigation – Infection and Prevention Controls

The best prevention controls in a school/district are achieved by first focusing on recommended physical distancing requirements and taking every reasonable step to configure the physical site to apply an appropriate physical distance between people. All must practice appropriate hand hygiene and cough / sneeze etiquette. Once all reasonable options in a category have been exhausted, move to the next category. Refer to table below for clarification.

Source: <https://www2.gov.bc.ca/assets/gov/health/about-bc-s-health-care-system/office-of-the-provincial-health-officer/covid-19/covid-19-pho-guidance-k-12-schools.pdf>

In addition to the guidelines and regulations, everyone in the school is responsible for ensuring their own safety and the safety of all others.

Visible signage with clear messaging is a key component to effective communication in the prevention and control of COVID-19.

**The K-12 “Return to School September 2020” document is the comprehensive and first reference point for this document.**

## COVID-19 OPERATIONAL PLAN FOR SCHOOLS

**Instructions:** Go down the list one-by-one, review the resource materials as applicable. Describe in “Notes” box how you plan to implement the specific items at your school. To help you remember, under the “Status” column, you can select if the section is *done, in progress, not started, or not applicable*. The last column shows the “Date Implemented” so you can track when items are completed.

**Building Access Notes:** *Describe how access to the school is being controlled and communicated. All usual security measures must be maintained.*

**We have communicated to parents that access to the school building will be limited and appointments must be booked if possible. People dropping off items at the school building will need to call reception in order to be met and have items retrieved. All exterior doors will be locked (excluding arrival, dismissal and breaktimes) requiring all visitors to call.**

**If a visitor is permitted to enter the school building, they will go straight to the main office, review the visitor guidelines and sign in using the districts standard sign in sheet. Each visitor will then be escorted to their destination unless they are familiar with the building and our safety procedures/expectations. Each visitor must also sign out upon leaving the building.**

**Attendance of staff and students will be taken daily. If staff or students leave during the day, this will be recorded in the main office.**

## COVID-19 OPERATIONAL PLAN FOR SCHOOLS

Parent pick up and drop off will be in the first student parking lot. Buses will pick up and drop off from the bus lane in front of the building. All students will enter through entrance marked/exit marked front doors. A mask is required for anyone entering the building along with 2 m distancing. Inside the classroom, a mask is required if 1 m physical distancing cannot be maintained.

For any sport teams, the Athletic director will ensure that the coach is following all NBIAA return to play guidelines.

## COVID-19 OPERATIONAL PLAN FOR SCHOOLS

**Screening Notes:** *Outline how screening requirements are being met.*

GNB up to date Screening Poster will be posted on ALL entrance doors. Staff have been advised of screening requirements within the Orientation given. Staff must self-monitor throughout the day and are aware that should they become symptomatic (2 or more symptoms), they must put on a mask, and go home as soon as possible and call 811 or a healthcare provider for advice. Students are also required to self-screen prior to entering the school and self-monitor throughout the day. If a student becomes symptomatic (2 or more symptoms) while at school they must put on a mask (we will provide a medical mask), and either leave the building or await the pickup of a parent while waiting in our isolation area (maximum 1-hour), go home and call 811 or a health care provider for advice. The Isolation room must be cleaned between each use following procedure within the Standard Cleaning & Disinfection Document.

**Physical Distancing Notes:** *Outline how physical distancing is being supported and communicated.*

**Classrooms** – Have been laid out to allow for as close to 1M Distancing as possible between desks. Library, Guidance Room, etc. Have all been modified to allow proper physical distancing.

**Theatre** – Seats will be taped off to show where 2M distancing is maintained and where people are able to sit when necessary.

**Lunchroom/staff room** – We have modified the table and chair set up in the lunchroom to allow for 2M Physical Distancing. Signage regarding social distancing have been placed in this area as reminders and lunchroom will be monitored. Cafeteria – Chartwell has completed an Operational Plan.

**Elevators** – Have been limited to 1-person at a time (excluding special cases). Signage has been posted.

**Guidance Room (limit of 1 student)** – signage has been posted.

**Locker Room** – limited access– signage has been posted.

**Workout Room** – Block access to every 2<sup>nd</sup> piece of equipment to allow physical distancing. Equipment cleaned/disinfected between uses.

## COVID-19 OPERATIONAL PLAN FOR SCHOOLS

Lockers – Lockers will be limited to storage only; expectation is they will not be visited frequently.  
 Washrooms – limited number of people, signage posted at doorway, there will be green/red signage at entry that will be flipped to green when non occupied and flipped to red when occupied. Laminated signage will be cleaned regularly throughout the day. Masks must be worn in washrooms.  
 Stairway – Has been modified to allow one-way direction traffic. Signage and arrows posted.  
 Hallway – All one way directional arrows have been placed in hallways.  
 Meeting Room – Limited to 3 people. Signage posted.  
 Offices - There will be “stop” lines at all offices reminding people they cannot enter unless they have permission and 2M distancing can be maintained or masks are worn.  
 Assemblies/Large Group activities – will be held in theater and gym with physical distancing measures in place and limited students at a time.  
 School Map – See *SRHS directional map* attached that shows assigned entrances, and direction flow of the school.

Every teacher will have a face shield available. We will supply plexiglass “sneeze guards” as requested. Reception areas will all have plexiglass barriers.

Nitrile gloves will be available for staff as required. Custodians must wear gloves when cleaning isolation room.

Safety Glasses and Goggles are available to staff who request them.

All teachers will have a face shield to wear when physical distancing cannot be maintained. Note\* Community mask must also be worn if a face shield is worn, a face shield does not solely replace a community mask unless deemed necessary through a risk assessment.

## COVID-19 OPERATIONAL PLAN FOR SCHOOLS

Students/Staff who are feeling unwell (2 or more symptoms) at the school will be provided with a medical mask to wear. Do not reuse medical masks.

A personal plan will be developed for students who can not wear a mask due to health conditions or other exceptionalities.

We will have a supply of masks available for students or staff who forget them.

## COVID-19 OPERATIONAL PLAN FOR SCHOOLS

**Outbreak Management Notes:** *Outline any specific considerations to outbreak management within your school.*

**We have reviewed the Outbreak Management Plan procedures with our staff in the Orientation. All applicable stakeholders are aware that Public Health will take the lead in the event of an outbreak. We will follow all protocols outlined in the EECD Outbreak Management Plan.**

**Mental Health Notes:** *Describe how mental health resources will be communicated to staff.*

We will share mental health resources during our orientation. We will periodically make reminders to staff regarding the importance of looking after their mental health and reminding them of resources available.

**Additional Consideration / Other Notes:** *Describe how any additional considerations are being met.*

**When we hold our provided lunches, we will ensure that persons serving the food wear gloves and a community mask. Students/staff will not serve themselves.**

**Chartwell will provide their operational plan. If we have any other external organizations within our school, we will obtain a copy of their Operational Plan and ensure they are aware of our plan as well.**

**We have turned off all fountains and will only be using bottle fillers. Signage has been posted to remind people not to touch their bottle to the spout as well as a reminder that fountains are closed.**

**Compass Sussex will follow the same guidelines for their operational plan as outlined for SRHS.**

## SRHS Visitor Guideline

### VISITOR GUIDELINE COVID 19 –

These items must be included as a minimum at each school/location.

#### Who is defined as a visitor?]

- Parents/Guardians/Siblings/Family Members of students
- Visiting Professionals (ex: substitute teachers, SLP, EAL, Public Health Nurses, Public Health Officers, Fire Marshall, emergency personnel, any person not regular to the school)
- ASDS Maintenance Personnel
- Contractors, delivery people if they enter the building past reception
- Volunteers
- This is not an all-inclusive list, if someone is within the school who is not a regular, everyday staff member, or student of the school, they need to be signing in for contact tracing purposes.

#### Visitor Guidelines:

1. Upon arrival, all visitors will review the GNB Screening Poster.
2. All visitors must wear a mask and are encouraged to wash/sanitize their hands upon entry to the building.
3. Visitors are to maintain physical distancing of 2M/8Ft wherever possible between themselves and others, if distancing not possible, a community mask must be worn.
4. If, after reviewing the poster, the visitor is permitted to enter the building, all visitors will proceed to reception and sign-in. \*Signing-in is mandatory for contact tracing purposes.
5. After the visitor signs in, if they are unfamiliar with the COVID guidelines within the building, the visitor must be escorted to their destination. Abiding by all signage and markers as they are being escorted.
6. Wash their hands frequently using soap and water or by using hand sanitizer.
7. Avoid touching the face, eyes, nose or mouth with unwashed hands.
8. Cover the mouth and nose with a disposable tissue or the crease of the elbow when coughing or sneezing.
9. Visitors are encouraged to sanitize their hands once they have left the building.

#### Other Notes:

If you start to feel ill while at the school, you are to put on a community mask immediately and promptly exit the building. If you require someone to pick you up, you must wait with a mask on and maintain physical distancing of 2M/8Ft between yourself and others.

**Emergency Situation** – The person in which the visitor is there to see is responsible for that visitor. If the visitor is someone familiar with the school's process, proceed as normal or as directed by the school.

Some groups (Ex: speech language pathologists) may have additional measures in place. Visitors will abide by these protocols as directed by these groups. If they are required to complete a screening/sign in form with these groups, the visitor would not need to sign in as well with reception.

Thank you for keeping our students, staff and the public safe!

## SRHS Risk Assessment

### Risk Mitigation Tool for schools operating during the COVID-19 Pandemic

**Objective:** This tool will assist schools to assess risks during the coronavirus disease (COVID-19) pandemic.

**Directions:**

Answer each question 1-by-1 by selecting the Risk Level of low, medium, high, or N/A (*below any controls are in place!*) from the drop down list in column 1. It is *recommended* to complete this as a group so there are views from more than one person on whether an item is low-medium-high.

Utilize your schools Operational Plan to outline the controls put in place to manage the risks identified. Select Yes-No-N/A from column 2 to identify controls have been included in your plan.

Use column 3 to then select low, medium, high, or N/A to identify that the risk has been controlled, and therefore creating a lower level of risk.

| Risk Questions  | Column 1:<br>Risk Level<br><b>without</b> controls<br>in place | Column 2:<br>Controls added<br>to Operational<br>Plan? Yes/No | Column 3:<br>Risk Level <b>with</b><br>controls in place | Comments             |
