Description of the Provincial Assessment that all Grade 9 students write and must pass in order to graduate:

What will the Reading Comprehension component be like?

The Reading Comprehension component is designed to measure student performance in comparison to the *Provincial Reading Achievement Standards (end of grade 8)* and the *Atlantic Canada English Language Arts Curriculum Outcomes (grade 8)*. In order to ensure that it is fully aligned with our provincial standards, a review committee of NB educators selected the content of the assessment.

The format is as follows:

- Literary text (4 passages) and informational text (4 passages);
- Literal questions (20%), inferential/interpretive questions (60%), and personal/critical/evaluative questions (20%);
- 50 selected-response (multiple-choice) items;
- Students will have 90 minutes to complete the component with up to 90 extra minutes, if needed.

The use of dictionaries, thesauri and translation devices are **not** permitted for the Reading component.
