## Report Card Information

- Our school year is divided into two semesters. Each semester is divided into quarters, called reporting periods on the report card. This is the RP1 (reporting period 1) report card – the midway point for first semester.
- Your Sonic’s teachers will have either assigned a grade, if all work is completed, or an INC (incomplete) indicating that all work assigned was not completed. If your Sonic has an INC in a course, they can achieve a grade by completing the missing work.
- How to read your Sonic’s report card:
