Meeting started via TEAMS - 6:40

1. Review of the minutes (posted online SRHS website)
2. Principal's report
  - Newsletter – sent out and on the website - trying to do one a month, a quick message out to families
  - Course Selection will be starting after March Break
  - Planning has started on how to inform families at home re course selection
  - Guidance, G3 and R&M will be helping with course selections
  - Blended or hybrid learning Province of NB
    - \* Teachers are with students for one full day and the second day they are given some time but not promised the entire
    - \* Doing more than 50% of the curriculum, not at 100%
    - \* Some Students are attending everyday (they must meet provincial requirements) - they are usually in the Learning Commons
    - \* The Minister wanted to make sure that the student has access to their teachers every day – the standard is the first 10 minutes per class. Teachers will tweak this to make it work best with their courses.
3. School Improvement Plan
  - Additions:
  - 'Teachers will provide purposeful ways for their students to engage with them and the curriculum.'
  - 'The entire sonic community will comply with the SRHS Operational Plan.'
4. In December we had 2 weeks where we were preparing to get students ready for exams, so we had 'short term interventions' to help them finish assignments and get ready for exams – we had teachers and EAs in the Learning Commons to assist in this.
5. Graduation
  - Graduation is proceeding, not as usual, but similar to what we had last year.
6. PSSC Funds have been spent:
  - Cart
  - Projector
  - Speakers

Adjournment at 7:45
