Notes:

Dress Code:

Students will dress in an appropriate manner for school. The dress code is also in effect for dances as well as extracurricular activities, sports, and school outings.

- Hats of any kind are to be removed when entering the school and are not to be worn inside the school. Hoods are treated as hats for the purpose of this dress code, and also must be removed when entering the school and are not to be worn inside the school.*
- Clothing which would not be considered appropriate in a typical indoor work environment will not be permitted at school.*
- No undergarments of any kind may be showing. Pyjamas are never appropriate for school.*
- No clothing bearing inappropriate language or logos is permitted. This includes clothing that advertises beer, alcohol, or tobacco products, as well as clothing showing graphic violence, profanity, or language and/or designs which are offensive or discriminatory.*

Please make sure your students know their civic address and a current phone number for their adults. It is extremely important that they know this information by heart in a tricky situation (bus changes, missed busses, illness, injury etc.)

Any pickup changes for the afternoon should be communicated to the students prior to them coming to school. If there is an emergency, you can call the school with this change at 506-432-2022.
