- ___ 1 – pair earbuds (*optional)

\$10 student fee – Please send this in with your child on the first day of school.

*Grade 3 students and new students will have a \$5 fee for recorders. Students will keep the recorders and use them throughout grades 3-5.

*You may want to purchase extra pencils and erasers at the beginning of the year while they are on sale as students tend to go through these items very quickly and may require more throughout the year.

*Please label all of your child's supplies except duotangs as we may need to trade to make class sets of certain colours.
