

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

To ensure each school environment safely applies risk mitigation measures consistent with Public Health guidance and the *Occupational Health and Safety Act* and Regulations. All schools, and district offices, must develop a written COVID-19 Operational Plan to provide the safe environment needed for students and staff. Refer to the *Return to School*, September 2020 document and its appendices for primary support for the requirements listed below. This completed document shall be submitted to Clare Tooley, clare.tooley@nbed.nb.ca for review by **August 26th, 2020**. It will then be signed off by Zoë Watson or John MacDonald and returned to the principal for implementation and distribution.

The following document is intended to provide a check list with spaces for each main topic area along with resources. This will help the plan owner, (school Principal), outline each school's Operational Plan. Communication plans must consider and include staff, students, parents/guardians, visiting community professionals, and public. The District Occupational Health and Safety Coordinator is expected to be the primary support for staff and students. School Joint Health and Safety Committees (JHSCs) should be considered integral to preparations and support for September operations and beyond.

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

Section 1 - RATIONALE – Effective Risk Mitigation – Infection and Prevention Controls

The best prevention controls in a school/district are achieved by first focusing on recommended physical distancing requirements and taking every reasonable step to configure the physical site to apply an appropriate physical distance between people. All must practice appropriate hand hygiene and cough / sneeze etiquette. Once all reasonable options in a category have been exhausted, move to the next category. Refer to table below for clarification.

Source: <https://www2.gov.bc.ca/assets/gov/health/about-bc-s-health-care-system/office-of-the-provincial-health-officer/covid-19/covid-19-pho-guidance-k-12-schools.pdf>

In addition to the guidelines and regulations, everyone in the school is responsible for ensuring their own safety and the safety of all others.

Visible signage with clear messaging is a key component to effective communication in the prevention and control of COVID-19.

The K-12 “Return to School September 2020” document is the comprehensive and first reference point for this document.

Section 2 - COMMUNICATIONS			
Communicate operational strategies, provide orientation to staff and students.	Refer to Orientation Document for <u>Staff</u> and Students <i>(Will be send out at a later date)</i> <i>Orange Phase Update via TEAMS and afternoon staff briefings.</i>	Done	8/31/2020
Communicate operational strategies, provided orientation to visitors.	Refer to Visitor Guidelines	Done	8/26/2020
Communicate operational strategies to parent/caregiver and school community.	District Communications Refer to Guide for Parents and the Public <i>Orange Phase Update – sent in RedHawk Express on Nov 22.</i>	Done	9/3/2020

Communication Notes: *Describe how expectations are being communicated to the various stakeholders.*

Staff will be e-mailed a copy on August 28 in the morning. It will be reviewed and questions answered on August 31st, 2020. E.A.'s will be briefed on Sept 4th, 2020. All staff will view the orientation for staff by the end of day Sept 4, 2020.

Students will be briefed on their first day of school and the plan will be posted to the school website for their review on Sept 3. All students will view a COVID orientation on their first day of school – for students that will be in homeroom groups.

Parents will be briefed on the highlights via voicemail and e-mail on Sept 3, 2020 and the full plan will be viewable on our website from Sept 3, 2020.

Our school has the “Visitor Guidelines” Posted at Reception for all visitors to review and it will be posted on our website.

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

Our school has frequent communication via email to parents/caregivers. Any changes that will apply to the students will be communicated to parents and the Operational Plan for our school will be made available on the school website – www.rothesayhigh.ca

Weekly Newsletters are sent on Sunday evening with COVID protocol updates and changes to rules when Orange Phase began,

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

Building Access Notes: *Describe how access to the school is being controlled and communicated. All usual security measures must be maintained.*

ARRIVAL AND DISMISSAL

All external doors will be locked and entry will only be permitted via the main front doors during school hours. (Arrival and Dismissal are the exceptions to this rule – see below)

During drop off/pick up – students being dropped by their parents can enter via the gym entrance and exit by the same doors.

Student drivers can enter by the side door nearest to the student parking lot and exit by the same doors.

Bussed students will enter via the Main Doors and exit by the same doors at dismissal.

VISITORS

Visitors will have to use the call button and will speak to the admin assistant to be screened prior to entry. Where possible items will be left outside rather than have many people enter the building. Visitors will need to sign in and leave their contact details in the event of a public health inquiry into an outbreak.

STAFF & STUDENTS

Staff and students who leave during instructional hours (excluding lunch) will be asked to sign in/out at the office. This will allow the office to know who is in the building should an emergency evacuation or lock down be held. It will also serve as an additional source of information should contact tracing be required.

SPORTS/EXTRA-CURRICULAR ACTIVITIES

Schedules will be kept by the office and Athletic Director with one team contact from the opposition listed in the event of a public health inquiry. Will work with ASD-S schools to create protocols that are shared. Will ask for a team contact for every visiting team for contact tracing purposes. NBIAA to set out parameters for schools across the province.

SIGNAGE

Visitors guidelines and screening protocols will be at each entrance. Mandatory Masks signs will be posted everywhere in the school to serve as a reminder.

ORANGE PHASE UPDATE

No outside visitors are able to enter the building. The admin Assistants are now going to the door to attend to any unannounced visitors.

Section 5 - SCREENING			
<p>Ensure that all staff entering the building understands and implements the screening process.</p> <p>Staff must screen themselves, take their temperatures, before leaving residences. If there are symptoms of COVID, they should not be at school.</p> <p>Students of age can screen themselves or have a parent screen them daily before coming to school.</p>	<p>Refer to Screening Tool NEW</p> <p>Refer to Return to School 2020 Document Pg. 9, 10</p> <p>To be reviewed in all start of school communication and followed up weekly in newsletter.</p>	In Progress	10/27/2020
<p>Create a self-isolation space. Isolate people that are symptomatic immediately at the facility. Keep the person isolated, and wearing a mask (<i>medical preferred</i>), to avoid contaminating others until they are picked up. Call 811 or your health care provider as required and comply with the instructions given.</p>	<p>Refer to Return to School 2020 Document – Appendix K</p>	Done	8/24/2020

Screening Notes: *Outline how screening requirements are being met.*

Self Isolation Space = First Aid Office within the Main Office. Spare masks are inside, tissues, sanitizer. *Where possible, anyone providing care to a symptomatic individual should maintain a distance of 2 metres and wear a medical mask.*

Screening Protocols – will be itemized in August 25 communication to home and will be at the bottom of weekly newsletters. The expectations will also be posted on an infographic that will scroll through our home page at rothesayhigh.ca (Student screening occurs at home and will be a constant item for reminders in homeroom calls)

For staff – We will relay the importance of staying home when showing symptoms and the importance of self-monitoring at all times. This may be a discussion with individual staff when non-compliance occurs and human resources may be contacted. Signage will be placed at each entrance point to serve as reminders.

Action Items	Resources <i>(Examples, Templates, Guidance Documents, Posters, Links, Reference Documents)</i>	Status <i>(Done, In Progress, Not Started, N/A)</i>	Date Implemented
Section 6 - PHYSICAL DISTANCING			
Implement physical distancing protocols. → Classroom, lunchroom, elevators (<i>indicate where to stand within elevator if enough space, mask use, number of persons permitted</i>), staff rooms, locker rooms, workout rooms, coat/boot areas, meeting rooms, washrooms, change rooms, cafeteria, lockers, etc. → Consider staff, students, visiting professionals, parents/guardians, contractors, volunteers, emergency personnel, repair workers, and community members. → Arrange furniture to promote physical distancing requirements (<i>including reception area</i>). Remove furniture if possible. → Provide visual cues on floor, indicate directional movement where appropriate, “no stopping” areas, narrow hallways, arrows, etc. → Determine if installation of physical barriers, such as partitions, is feasible.	Refer to Return to School 2020 Document <i>various sections</i> . Itinerant professional information in Return to School 2020 Document pg. 18 Refer to Chartwells Operational Plan	Done	10/15/2020
Plan all assemblies or other school-wide events <i>virtually or outdoors</i> .	Refer to Return to School 2020 Document Pg. 4	Done	8/24/2020
Evaluate options to reduce the number of people required onsite.		Done	8/24/2020

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

<p>Evaluate the risk of individuals coming closer than two metres. Stairwells, entry and exit points and narrow hallways can present challenges. Consider implementing one-way traffic zones where possible, e.g., one stairwell for walking up, a different one for walking down.</p>	<p>Refer to sample signage</p>	<p style="text-align: center;">Done</p>	<p style="text-align: center;">10/21/2020</p>
<p>Perform Evacuation Drills (<i>Fire Drill/Lockdown</i>) as normal as per NB Reg 97-150 School Administration Regulation. *Physical distancing requirements will be lifted during time of evacuation only, provided that it is complete, and students are back to physical distancing or being within their appropriate bubble within a 15-minute timeframe. Physical distancing must be adhered to upon re-entry to the school and masks are encouraged for all staff and students during drills.</p>	<p>NB Reg 97-150</p>	<p style="text-align: center;">Done</p>	<p style="text-align: center;">9/14/2020</p>
<p>School layout guide maps to inform students, staff, visitors, and public of school layout (<i>directional flow, assigned entrance/exit doors</i>) are encouraged but not mandatory.</p>	<p>District Facilities (Maps)</p>	<p style="text-align: center;">In Progress</p>	<p style="text-align: center;">8/24/2020</p>

Physical Distancing Notes: *Outline how physical distancing is being supported and communicated.*

Students – Last names A-K will attend Mon/Wed, Last names L-Z will attend Tues/Thurs. The two groups will alternate Fridays. (A schedule will appear on our website and will be sent via voicemail and e-mail to parents weekly.)

Assemblies/Announcements – will be done by use of videos, P.A. system or visits to individual classes.

Classrooms – a maximum of 18 desks will remain in use and will be placed 1m apart minimum. The teacher will assign seats to each student and these will remain their seats throughout the quarter/semester/year. At lunch a maximum capacity of 15 students in any classroom will be strictly enforced.

Cafetorium – tables and chairs will be labelled with locations where students may sit and extra tables/chairs will be removed.

Lockers – Students will be assigned lockers by their homeroom teachers – alternating between early alphabet last names and late alphabet names to increase the distance between students using their lockers. Lockers will be allowed to be accessed first thing in the morning, at lunch and at the end of the day. Duty teachers will monitor the wearing of masks and the quick movement out of the hallways.

Locker Rooms – We will make use of both spaces available to us – alternating between periods which side is in use. The doors are to be labelled and locked accordingly.

Washrooms will be labelled on the exterior as to the capacity. Due to low capacity students will be allowed to go to the washroom during class time but may only leave their class one person at a time and they must wear their masks in the hallways. Markings will be made on the floor as to where to stand if a waiting period is required.

For semester 1, or until protocols can be relaxed the workout space will be closed.

Storage areas will be used as much as possible for the storage of furniture but some unused furniture will remain in classrooms.

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

Markings, arrows and signage will be prominent throughout the building.

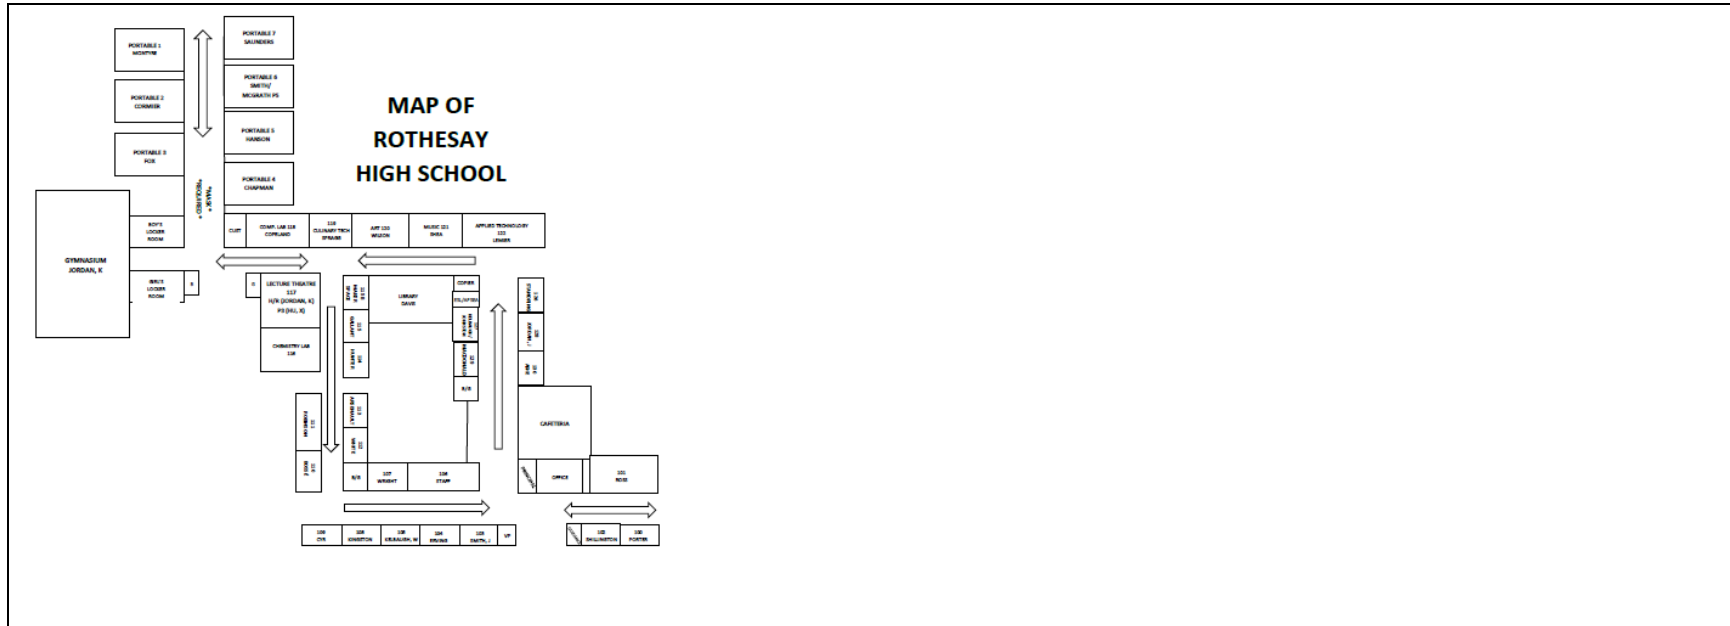

We will use a one way system within the main part of our building but we recognize two bottle-necks around the entrance to the portables and the corner around the main office. These two locations will be monitored by the Principal and Vice Principal during the first two weeks to determine if a staggered exit from these classrooms is required.

Staffroom – will be reduced to a maximum of 6 people in the large seating area and access will be cut off to the kitchen so that people do not walk by EA's eating during their student free break times. The only staff approved to eat in this space are the Educational Assistants and only when 2m physical distancing is possible. Seats have been designated with red tape. Teaching staff will be asked to eat in their classrooms. They may use the staffroom for photocopying only before school, P1, P5 and afterschool when there is no one eating in that space. Custodians will eat there in the evening – 3 of them will sit at different tables to have maximum distance. The Kitchen fridge will be reserved for teaching staff and the kitchen area can only have a maximum of 2 people in it at a time.

Reception – On staff only days reception will remain open and staff will be asked to enter 1 person at a time. If they wish to speak to Patti they should do so behind the plexiglass divider. When students are on site we will make use of the plexiglass window to reduce movement in the office. Should they require entrance to the office they will be invited inside by the secretary. Masks are mandatory.

Evacuation plans will remain the same. Upon re-entry students will practice physical distancing of 2m especially if they are not wearing a mask and will hand sanitise once they have arrived back in their classrooms.

We will have 5-minute break between classes only. We have allowed for a homeroom session daily to allow for a break to eat, drink, and complete social emotional learning content. At the most these groups should have only about 8-10 students in a room which should allow for 2 metre distancing while eating. Seats will be assigned and cleaning protocols followed.

By Aug 31 - Describe the kit in each classroom and the special plans for specific spaces here – teachers to submit their plans to me in August 31 by the end of the day. Using 362 cleaning product in classrooms – WHMIS forms viewed and signed by all staff.

By Sept 3 – We will follow Appendix K for any outbreak cleaning.

Hand cleaning posters have been posted in all washrooms.

Custodians will check washroom supplies when cleaning to ensure they are fully stocked.

Masks are required in all common spaces including washrooms.

Cleaning of washrooms, changerooms, and commonly touched surfaces including the vending machines and door knobs will be done 3 times per day.

We will open windows whenever possible and work with facilities to address any ventilation issues.

Every teacher will have a face shield (this can be worn IN ADDITION to their community face mask when physical distancing is not possible) and will be provided a table-top plexiglass barrier upon request. The Main Office will make use of a plexiglass barrier but we have also installed a plexiglass window for high traffic times to reduce the exposure of the admin assistants to droplets.

Nitrile gloves will be made available for staff as required. Custodians will wear gloves when cleaning the isolation room.

Safety Goggles and glasses are available to staff who request them.

Students or staff who are feeling unwell at school will be provided a medical mask to wear – this will be disposed of after use.

The office will maintain a stock of masks for use when students lose or forget a mask. We will also insist that students keep a stock of disposable masks in their locker for the same reason,

During Orange phase students have been asked to carry multiple masks due to moisture build up.

COVID-19 OPERATIONAL PLAN FOR SCHOOLS

Outbreak Management Notes: *Outline any specific considerations to outbreak management within your school.*

We reviewed the outbreak management plan with our staff during orientation. All stakeholders are aware that public health will take the lead in the event of an outbreak. We will follow the ASD-S Outbreak plan.

After a Positive Case on Nov 23 all protocols were followed and staff are assisting Public Health.
