Selection of Valedictorian and calculation of Honour Standing.

Honour Standing for Graduating Students – Distinction = 95% and above High Honours =90-94.9% & higher, Honours =85%-89.9%.

Honour standing for graduates from Rothesay High School will be determined as follows:

A student will be registered in a full course of study in their graduating year unless they are on a pre-approved academic plan in place by administration.

Only courses taken in the graduating year will be counted for Honours.

In calculating the average, English 12 must be counted.

Of the other courses the lowest mark will be dropped. If a student has INC, they will not be eligible.

To determine honours, the sum of the marks on the courses counted (English to be included) will be divided by one less than number of courses taken.

A 1% bonus will be applied to the calculated average for each Level 1 course, and Advanced Placement (AP) course.

The Valedictorian will be the student with the highest average after all bonuses are applied.

If you have any questions or concerns, please call the school at 847 6204.
