Graduation Week

This week we will farewell the Class of 2021. They have proven to be an extremely impressive group of young people who never seemed to let their circumstances get the better of them. Friday June 18 we were able to unite the A-K & L-Z groups at our Grad Class BBQ. What a wonderful way to end the year!

Supporting Your Students @Home

Summer presents an opportunity for personal growth and activities that promote positive mental health. As you support your students in the class of 2022, 2023 & 2024 here are some items to add to your list;

- **Parent Portal** – Review their schedule with them after August 1st. Have them login to TEAMS and use the course change form posted on the Rothesay High News and Notices to submit any changes or questions.
- **Summer Learning** – students have been offered the opportunity to take a free online credit course over the month of July – if you are interested in learning more please reach out to Karrie Harris (Karrie.Harris@nbed.nb.ca)
- **Reduce Screen Time and Encourage Rest** – This was my advice for exams but it holds true for the summer. Increase time outdoors and away from screens to help promote mental wellness.

Reminders and Celebrations

2021 Yearbook → Congratulations to Sarina Lund the editor of the 2021 RHS Yearbook. It is a beautiful tribute to this unique year and we are so fortunate to have this book to look back at when we tell stories of the 2020-2021 school year.

Fees Reminder → Thank you to all the families who have paid their fees to assist us in completing our accounting for the 2020-2021. Your student fees, grad fees and sports fees ensure that we have an opportunity to offer the student body the best activities and equipment possible. Cashless Schools will remain open for payment until June 25, 2021.

Textbooks → Please ask your RedHawks to scour their rooms for any textbooks from March 2020 onwards that may be hiding in closets, under beds etc! We are missing quite a few and could use your help locating them.

Class of 2021 → Please reach out to Mr. Peters with any questions about your grad packages sent home last week! Graduates were sent home with the following on two weeks ago:

- Cap & Gown, Tassel, Face Mask and V Stole for June 24th
- Parking Passes for drive through ceremony

Class of 2022 → Summer is a great time to build your resume – look for work, volunteer with a local charity or add a skill! Take some time to visit post secondary websites or locations, explore program options and come back to us prepared to engage in planning for your future.

63 Days until School Opens in September!
Please enjoy a restful and rejuvenating summer.
