Mar 14-18, 2022

Celebrating RedHawks Sports

There is only one headline for this week's RedHawk Express. Our winter sports teams competed over the March Break to much success!

Basketball – Our Varsity Girls competed in the Final 12 on Friday in a nailbiter against Woodstock High. While we did not come away with the win the girls made us all proud to be RedHawks. Congrats to Neve Pearson for being named game MVP with 30 points on the board. Congratulations to Grace Tilley on being named the AA MVP for the Southwest Region.

Our Junior Varsity Girls will compete this week in their delayed Provincial final – stay tuned for details next week.

Both boys' teams were unsuccessful in making the Provincial finals but left it all out on the court with difficult losses to Bernice McNaughton and Fundy High School. Congratulations to Colin Downey and Nick MacDougall on being named to the South-west AAA All Star team.

Hockey – The Girls Hockey team has qualified for regional play which will take place this week.

The Boys Hockey team beat KVHS in the Southern Conference Championship game last night. They have qualified as the #1 seed from the South in regional play.

Thank you to our coaching staff for all 6 teams who gave up their own March Break to lead our athletes to victory. Words truly cannot express how grateful our athletes; their families and our school community are for the countless hours you spend helping develop our student athletes.

Massive SHOUT-OUT to our Athletic Director Kara Johnston for being courtside and in the rinks this week to make sure everything ran smoothly.

Supporting Your Students @Home

Finding balance with the lifting of mandates

With the lifting of vaccination requirements for extra-curricular (Spring sports) and mask mandates on March 14 will come vastly different emotions for our students and staff.

It will be important to discuss the different comfort levels of folks and what that might look like. Some staff and students will continue to wear masks and might choose not to gather in large groups and those of us around them must support these choices.

As with everything in life we should **choose to be kind** and patient and allow everyone to progress through this phase of the pandemic in their own ways.

Thank you for your consideration in this area!
