Assessment – F.A.Q.'s

During the 2020-2021 school year we decided at RHS to use re-assessment tasks instead of traditional exams to promote mastery learning and allow for students to demonstrate their learning right up until the end of the course. This was to aid in filling gaps left in students' knowledge from the COVID-19 school closures.

In 2021-2022 we will be having exams in some courses at the grade 11 & 12 levels where it is the best way to assess knowledge. In other courses at the grade 11 & 12 levels we will use projects, presentations, and interviews as final assessments where appropriate. At the grades 9 & 10 level we will continue to use re-assessment for all courses to continue to promote mastery of the course content so that students have fewer gaps heading into credit courses.

For families new to RHS here is a video that I shared with the school last year to explain why we choose re-assessment over comprehensive exams in our Grade 9 & 10 courses and why we are using re-assessment as part of our assessment practice in all courses. [Mastery Learning Video](#)

Rothsay High School teachers are invested in learning about best practices in assessment and work very hard each day to make sure your students know where they are in their learning through feedback and to make sure that any grade they assign accurately reflects your student's knowledge. As outlined last week teachers communicate directly with students but do share some important details with families via Parent Portal.

If you note an INC in the gradebook, it means that your student has not provided evidence of learning (missed a test, missed a deadline, or did not submit coursework) and this requires immediate remedy. Students can make appointments for lunch time help, can ask questions via TEAMS, or can simply work with a parent/sibling or tutor to catch up. Please check PowerSchool with your student sometime this week. Quarter 1 grades will be finalised on Monday Nov 8 and Report Cards will be issued on Friday November 12.

Supporting Your Students @Home

Being a Good Neighbour – a community message with a school focus. I am asking families to have a discussion this week with their students about their behaviour both during school hours and beyond in the Rothesay area. We, the RedHawk Community, owe our community better treatment and cannot expect to find partnerships with local businesses unless we treat the immediate area better. We have had several calls from the community recently about.

- **Littering:** Student drivers and those who visit the Irving Circle K or K.C.'s pizza are the biggest culprits. We will be purchasing extra garbage bins for the exterior of the school, but students must be reminded that it is never acceptable to just drop garbage on the ground.
- **Trespassing:** KRPF have received several calls from neighbours of our property of students gathering in wooded areas and backyards to vape and are leaving a wake of garbage and damage behind them. Please take time this week to explain the consequences of these actions and to remind students of the need for respect of others property
- **Intimidation:** Some students have also been crossing private property to gather on beaches and other wooded areas intimidating the residents who own the property. KRPF officers have responded to these calls and will continue to intervene when neighbours complain.

Graduates may sign up in the Main Office for their Graduation Photos (Cap & Gown) this week. The photos will be taken the last week of October (26-28)

Advice from Photography Flewwelling for your graduation photos:

If you are wearing a suit on graduation day:

- Wear a white shirt and a tie (a tie in your school colours looks best). The studio has a white shirt and ties for you to borrow, if necessary.

If you are wearing a dress on graduation day:

- Wear a vee-neck top that will not show under the gown.

Advice for all:

- A small necklace will look fine, but heavy jewellery would be a distraction.
- If you normally wear make-up, consider using a little more than usual, but do not overdo it. If you never wear make-up, you might consider wearing it on photo day. A cosmetics specialist at a drug store would be happy to teach you the basics.
- Photography Flewwelling has the graduation gown for your photo.
- Some students like to have one shot taken with a prop such as a musical instrument or some other cherished item.
- Do not make a drastic change to your appearance in the days leading up to your appointment. Even a fresh haircut might not look the way you intend, so you might think about getting a haircut one to two weeks before your appointment.
- Minor blemishes will be re-touched at no cost; details regarding the cost of major re-touches will be provided on the envelope containing your proofs.
- Ordering instructions will be on the envelope containing your proofs.
- Relax and have fun!

Please note: While you are not obliged to buy any of the photos, we do ask that you get your photo taken as we use the photos for the following:

STUDY IN GERMANY!

Assuming international travel protocols permit, Atlantic Education International (AEI) is offering you the chance to apply for a full scholarship to spend the 2022-2023 school year living and studying in Germany

Four students enrolled in the Anglophone sector of NB's public school system, between 15 and 18 years of age, entering Grade 10, 11 or 12 in September 2022, will be selected for this "study abroad" experience. They will learn a new language, experience a new culture, and know what it means to become a global citizen.

The scholarship will include:

- ⇒ Return airfare to your host destination
- ⇒ All costs related to school attendance in Germany
- ⇒ Homestay accommodations with a local host family
- ⇒ Intensive German language learning camp
- ⇒ Modest spending money allowance

To apply now, visit us online at AEI-INC.CA

Application deadline: October 31st, 2021

Atlantic Education International (AEI) was incorporated in 1995 by the Province of New Brunswick to deliver world class education opportunities to the global community through the New Brunswick Department of Education & Early Childhood Development. Further information will be posted on our website as it becomes available: www.aei-inc.ca
