Vaccination – Requirements & Opportunities

On Friday the Provincial Government and Department of Early Childhood and Education announced a few more changes for the school system considering the rising cases of COVID-19 in schools around the province;

Here is what you need to know;

- 1. Vaccines are now mandatory for students wishing to participate in extra-curricular activities (Sports, Clubs, SRC, Grad Class, etc).** Students must show evidence of their fully vaccinated status (double vax) prior to participation in any ongoing meetings, practices & rehearsals. Here are the options for how to show proof;
 - Via e-mail to Christina.Barrington@nbed.nb.ca
 - In person at lunch in Mrs. Barrington's Office – all week
 - Optional: If you would like us to keep a copy on file in the student's Cumulative Record we would be happy to do so.
- 2. Vaccination Clinic on site – Tuesday Sept 21 (PM). Students wishing to get either their first or second dose of the COVID-19 Vaccine can register for this clinic by e-mailing Christina.Barrington@nbed.nb.ca**
 - High school students may sign their own consent forms. Please inform your child if you do not want them to receive the vaccine.
 - Students should indicate their preference for Pfizer or Moderna
 - Those receiving their second shot are asked to bring the proof of the first vaccination.

Supporting Your Students @Home

After our first full week of classes your students are likely arriving home with homework. Unlike the elementary & middle level schools teachers will communicate entirely with the students via TEAMS or in person. To get an understanding for what your student is studying you can do any of the following;

- Ask them to login to TEAMS and show you around the assignments tab, the ClassNotebook and the General Feed.
- Ask to see the course syllabus which will have details about what will be learned, how to get extra help and the breakdown for their calculated grade.
- Activate your ParentPortal & view your students' attendance and begin to navigate viewing their grades. Most teachers will start posting grades by Sept 30.
