HOME OF THE RED HAWKS

## UPDATES

**\$20 000!!** The fundraiser raised \$20 000 to go towards the theatre curtains! Thanks so much to the committee that planned this event, with a special thanks to Liz Tait for organizing it and Tiffany McKay French for coming up with such an amazing idea! These events could not happen without the time and effort the committee put into it from planning to the set up and clean up of the event. Lots of hands helped. Thank you so much. What a great night for our community.

**Course Registration 2023—2024**—On February 15th, we began our process for course registration for the 2023-2024 school year. Presentations will continue into next week. All forms are posted on our website along with the powerpoint presentations Mrs. Jordan and Mrs. Moran presented to students. All registration forms will be due to the office by February 27th. If you have any questions or concerns, please feel free to reach out to: Mrs. Jordan (Guidance), Mrs. Moran (Grade 9 & 11 VP), Mr. Peters (Grade 10 & 12 VP), or myself.

**Note:** our current grade 9 students will be graduating with different requirements than our current grade 10-12 students due to the new high school renewal.

**High School Renewal**—There will be changes to the graduation requirements for our current grade 9 students. There will also be a parent information session with the Department of Education in the upcoming months. Once we have specific information on this date, we will send it along.

**My Blueprint Training sessions for students**—During the month of February, we will be having full school training session on Feb 17, 24, and March 3. This is part of the course registration process. Students will need their device for this training. My Blueprint is a platform that allows students to explore and document their interests and support them in the process of course selections and career pathways.

**Grad information**—During the My Blueprint training for Grades 9—11, the grads will have an assembly at this time. Important information regarding grad as well as sizing for grad gowns will take place during this time. Please remind your grad this is a very important assembly to attend.

# ROTHESAY HIGH

## — PRIDE —

POSITIVITY - RESPECT - INVOLVEMENT - DILIGENCE - EMPATHY

At Rothesay High, we want our students to strive to be the best they can be within and outside our building. We want our students:

- to have positive relationships with friends, teachers and employers.
- To develop important life skills and attitudes that are valuable and respected.
- To care about those around them.
- To spread RedHawk Pride wherever they go.

This has led our community to begin the initiative of "ROTHESAY PRIDE". Starting the month of February we will be encouraging our students to demonstrate the characteristics of:

- POSITIVITY
- RESPECT
- INVOLVEMENT
- DILIGENCE
- EMPATHY

Each month we will be focusing on one of these traits.

Students will be acknowledged when they are seen demonstrating them by a staff member. They will be given a ticket for a chance to win prizes at the end of each week.

This month we will be focusing on EMPATHY.

**Everyone deserves to be treated with kindness**

**Ask questions when you don't understand what others are thinking or feeling**

**STAND UP FOR THE RIGHTS OF OTHERS**

**How have other organizations and social media affected how I treat others?**

**Think "This could be the coolest person I ever meet" and ask questions**

**Be concerned and considered other people's feelings**

**Resist negative social pressure to be mean**

**Watch for people who are left out and welcome them in. What if that was you?**
