UPDATES

Take your kid to work day—On November 2nd, as part of Atlantic Canadian Career Week, Grade 9 students will spend the day shadowing a parent/guardian/family friend at their place of employment for the day. Some larger employers may have special events planned to accommodate Grade 9s from across the district. It is the responsibility of the family to provide a place for their child to go to work on November 2nd, there will be no regular classes for Grade 9 students that day. Grade 9s will be involved in career awareness activities before and after November 2nd.

Permission slips are due back on Monday to their English teacher.

Grade 11/12 visit to Brunswick—on Nov. 8, grade 11 and 12 students will be bussed to the Brunswick where they will have many post-secondary institutions representatives on site to answer any questions. Permission slips will be going out this week.

Powerschool—As we approach the end of Quarter 1, be sure to check on powerschool to see your student's marks. If you have any concerns, please reach out to their teacher(s) to help them be successful. INC means the student has not completed all work.
