

Anglophone School District South is excited to be releasing a new service to parents. Our Transportation Department has transitioned to new software and as a result, parents now have online access to their children's busing information. The online service also allows the public to subscribe to specific notification directly associated to their chosen bus (route) or school.

To access the new service use the following link and then choose

[ABOUT](#)

The main navigation menu features a large image of a yellow school bus on the left. To the right of the bus image are three smaller images: a red school building, a young girl in a red shirt, and a school bus with a person standing next to it. Below these images are three text links: 'School Information', 'Which School do I Attend?', and 'Transportation Eligibility'. At the bottom of the menu are two buttons: 'PARENT PORTAL' (yellow) and 'PROFESSIONAL PORTAL' (dark blue). A red arrow points from the 'PARENT PORTAL' button back to the school bus image.

After choosing the Parent Portal, you will be provided a login screen, first time users will need to subscribe.
