

All Inclusive Student Fee 2020-2021

This year we will once again have an **All Inclusive Student Fee**, which will eliminate the need for families to shop for Back to School items. The only items families will be required to purchase are a set of inexpensive ear buds/ ear phones, indoor sneakers, a backpack and a lunch bag. The fee is being reduced from \$55 to **\$45 per student** as all classes did not have the opportunity to participate in their health and wellness activities (skating, swimming, curling or golf) last year. Additionally, to comply with social distancing, any school wide performances will happen virtually. This is a unique year where we do not require the same amount of student fees to cover the cost of events that would traditionally happen in the school year. Once we enter the Government of NB's Green phase, strict controls will be lifted which will enable us to reoffer some of those extra activities. At that time, our student fee will return to \$55 per student.

As a school community, we support charities four times throughout the school year. No more than a toonie is suggested per event and all charitable fundraisers are optional for families.
