Information Items:

- Thank you to all families who contributed to our Toy Drive! Today our "Me To We" team helped the local fire department fill three trucks with toys for the less fortunate in our community. We will continue to collect food and toiletries for the KV Food Basket until Wednesday, Dec. 16th. Feel free to bring along a non perishable food item to our concert next week. We are participating in St. David's Festival of Trees this weekend! If you happen to stop by, check out our "7 Habits" tree which is a reflection of FES.

-Our grades 1-5 Holiday concert will take place on both Monday and Tuesday mornings at 8:30. If your child's surname begins with the letters A-M, please attend Monday's concert. If your child's surname begins with the letters N-Z, please come on Tuesday morning.

--Your child's **turkey dinner menu selector** is due on Monday. Please send it back along with your \$5 payment. If your family requires assistance with this payment, please email me at Bonnie.Hierlihy@nbed.nb.ca. We do not want any of our children to miss out on

this event because of the cost. If, on the other hand, your child does not like turkey dinners, please send a regular lunch and he or she will bring it to the gym to eat with the others. On Thursday, our gymnasium will be transformed into a giant dining room with our kindergarten and grade 1 students eating at 11, our grade 2-3 students at 12 and our grade 4-5 students at 1pm. Parents who indicated an interest in helping at this event (on the volunteer request form) were contacted already. If you did not indicate an interest and would like to assist, please contact our Home and School group at fairvalehomeandschool@gmail.com.

-Friday, Dec. 18th is the last day of school before the Christmas break and it is a full day with dismissal at the regular times.

- We, the staff of FES, wish all families a season filled with beautiful moments and cherished memories. Thank you for all of your support!

-Our weekly **Family Connections** are also posted on our school website under the **Synrevoice** tab.
