Information Items:

- Our Curriculum Night was a huge success with many families enjoying various games that teachers utilize to help support curriculum outcomes.

-During Celebrate Diversity Week we emphasized the importance of respect for others and encouraged an understanding for the differences that make each of us unique. Students had an opportunity to learn about different cultures from F.E.S. parents who willingly sat on our Diversity Panel. A special thank you to Jemsha Boamah, Ayman Jaafari and Einat Raveh for spending Thursday morning with us. As a result of our "Paint A Pinky Pink" initiative, we were able to donate \$100 to Kids Help Phone.

-The students are loving our winter weather! This week every class had an opportunity to enjoy snowshoeing during physical education classes with our newly purchased snowshoes. We have two and a half class sets and by the end of next week we should have enough for three sets.

-During Winter Carnival activities on Friday classes will be visiting 10 different stations for approximately 10 minutes at each. Stations include Inuksuk Relay, Biathlon, Obstacle
